Western Branch High School
422 Terry Drive
Chesapeake, Va. 23321

Dedicated to

Mrs. Judith Katz

The *1987 BRUIN* is dedicated to Mrs.Judith Katz. Mrs. Katz has been a member of the Western Branch High School faculty since the school opened in the fall of 1968. She was formerly a teacher at Churchland High School and taught Russian at both Western Branch and Churchland the first year the schools were divided. Presently, she is a German teacher and chairperson of the Foreign Language Department. She speaks many languages including Russian, German, Polish, Chinese, Hebrew, and English.

Education is her top priority and in all aspects she is a true teacher. She is dedicated to the teaching profession and the welfare of the students whom she serves. Her belief is that all students attend school for the purpose of receiving an education and she strives towards that goal. She has a knowledge of a broad range of topics and has well thought out opinions on a variety of subjects.

She is a contemporary person who is energetic, youthful, and respected by students, parents, and her peers. Throughout the years she has made many major contributions to Western Branch High School and she is well deserving of this dedication.

Lifelong Traditions

▶The Homecoming Pep Rally was traditional and the Bruin's spirit was revived by a huge blue and gold WB pennant.

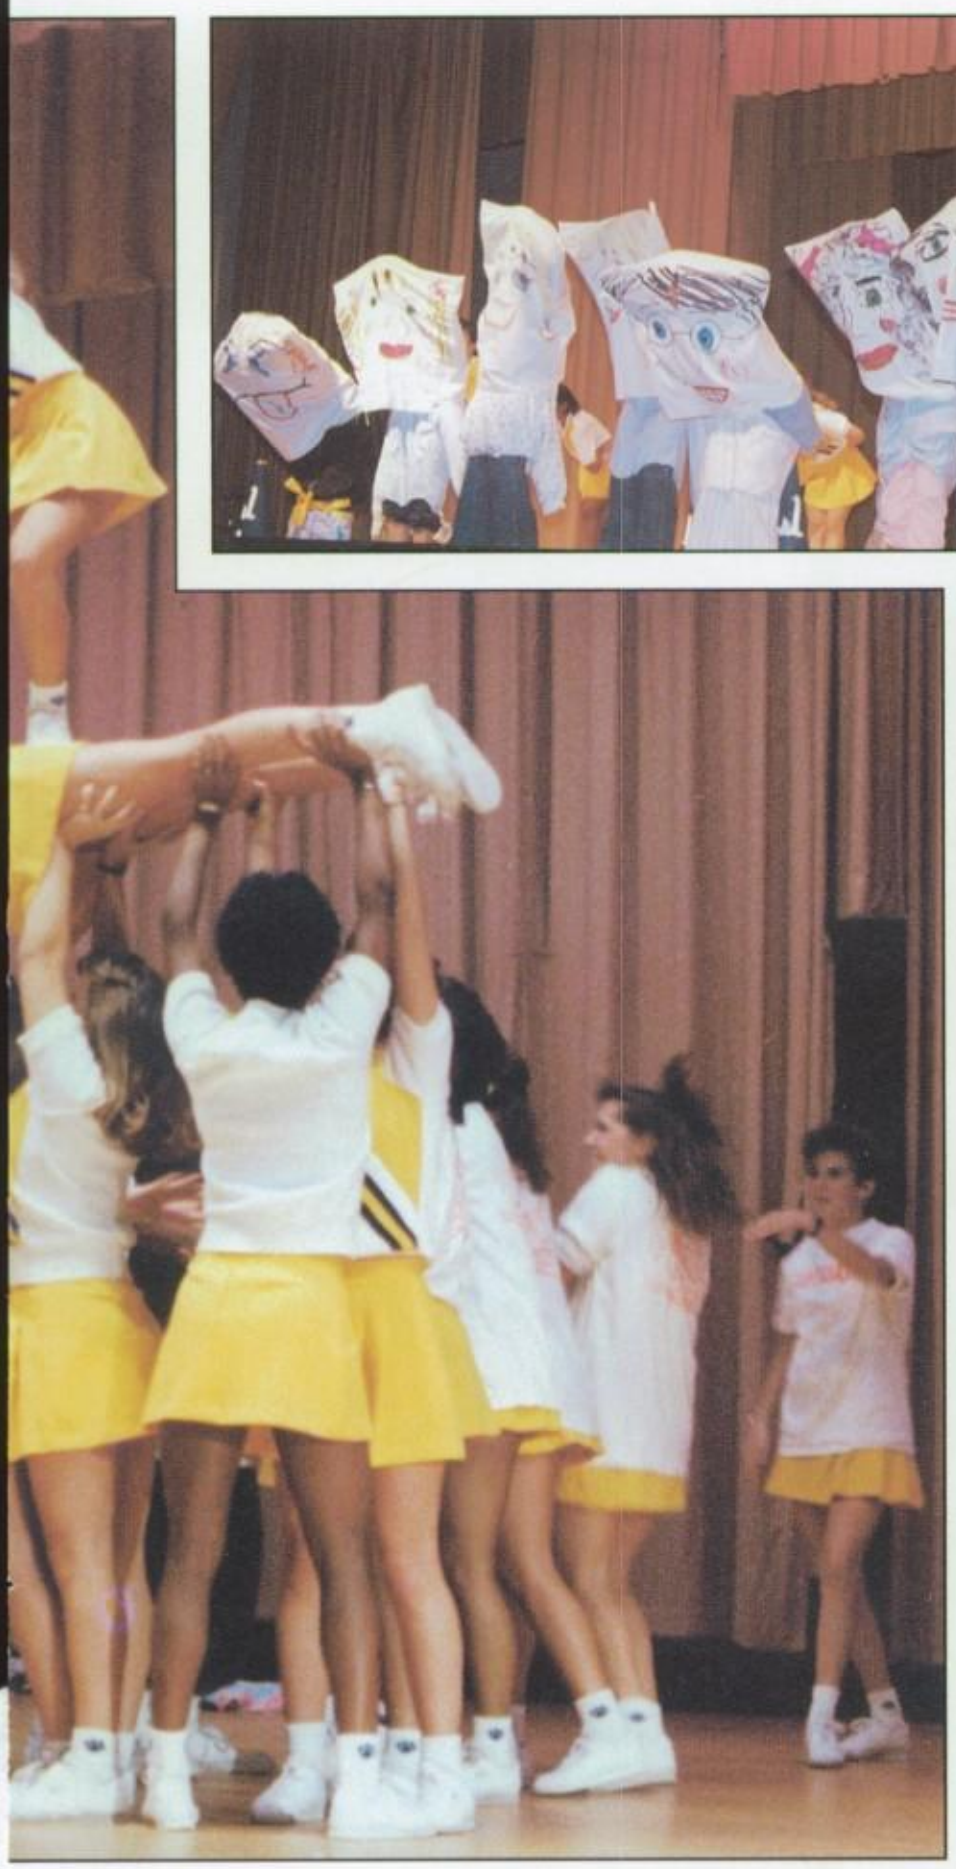
▼The Senior Class Safari sign won the Homecoming sign contest. This colorful, breathtaking banner hung in the Commons Area.

▲WB students showed their support and spirit by hanging signs in the halls. Their work paid off when the Bruins won the game.

▲WB's door decorating contest showed the students' enthusiam. Mrs. Dickinson's homeroom won first place.

The Homecoming theme, *Back in Time*, began with a traditional pep rally. The pep rally slogan,"VICTORY: A Bruin Tradition," swayed as the students cheered. The Senior class, as squatty bodies, opened the pep rally by joining the cheerleaders in a chant to arouse the students' spirit. The M.C.'s, Mrs. Guy and Tracey Lee, announced the winner of the door decorating contest, Mrs. Dickinson's class, and the winner of the sign contest, the Senior Class. During a slide presentation, the Homecoming Court and mascots were introduced. The cheerleaders continued the pep rally with a surfer skit and ended it with a routine to **SHOUT!** Just as all traditional pep rallies close, balloons were dropped and the students sang the Alma Mater.

◀The spirited Senior Class joined the cheerleaders in a chant to start the show.

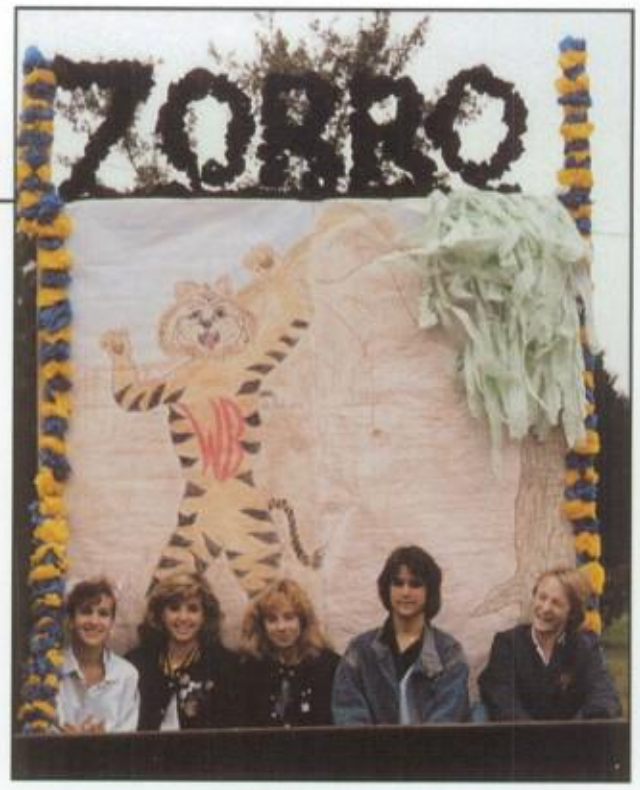


▲The Varsity Cheerleaders enthusiastically surf at the Homecoming pep rally.

◀Mrs. Guy and Tracey Lee - The M.C.'s of the Homecoming pep rally.

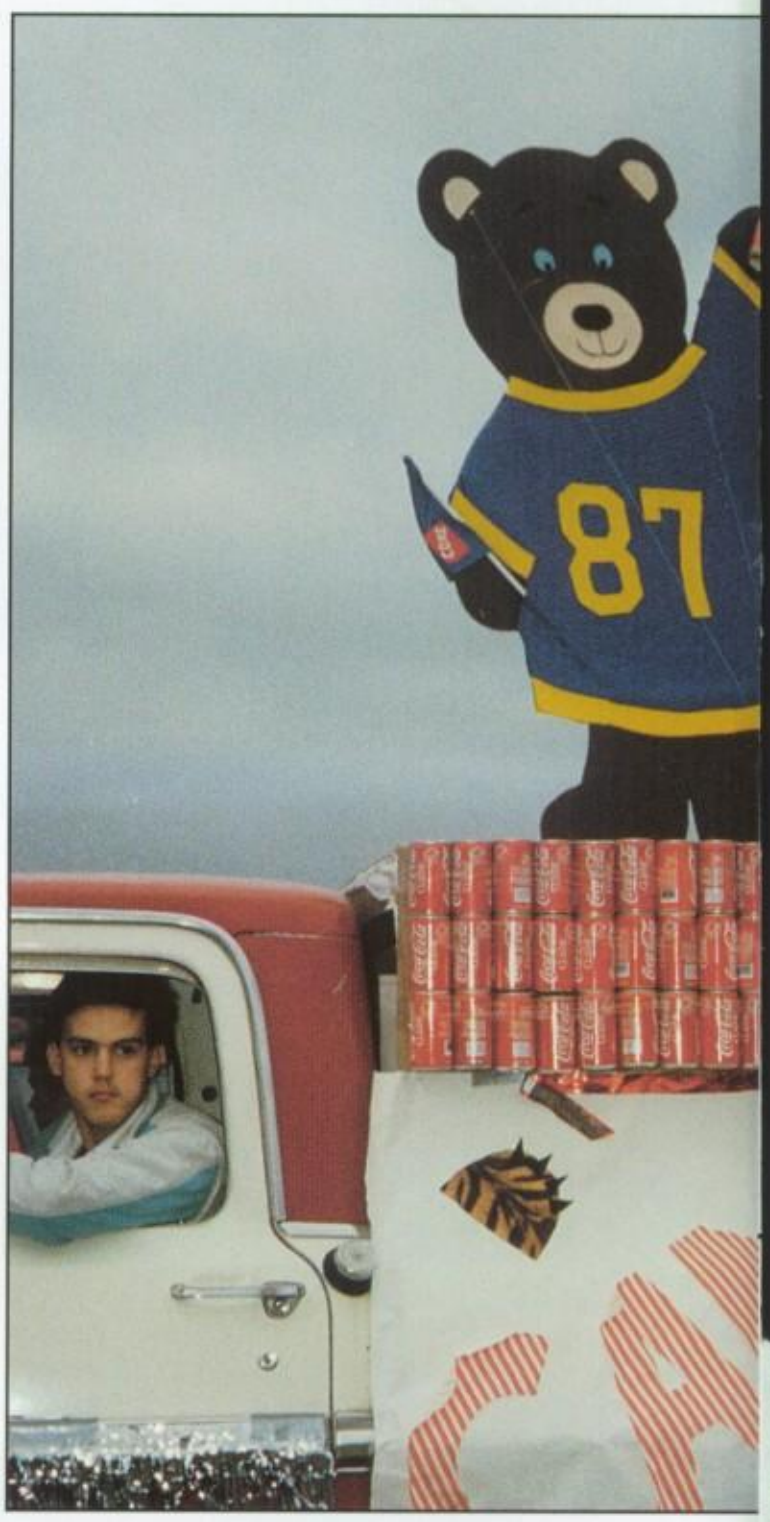
▼Spirited sophomores cheer at the pep rally.

The Lively Art of a...



▶Mr. Brandriff and Mrs. Smith enjoy their ride as Paige Bradley chauffeurs them.

▶The Zorro float prepares to make its way down Terry Drive as the parade begins.



▲The Marching Band entered the float contest with their interpretation of the movie "King Kong."

▶The Grand Marshal, Robin Heffner Eberwine, shares a convertible with the mascots Brady and Kristina Inman.

PARADE!

◀Kathy O'Dwyer, Missy Berdick, and Lynn Antonucci, work diligently on the Senior Class float.

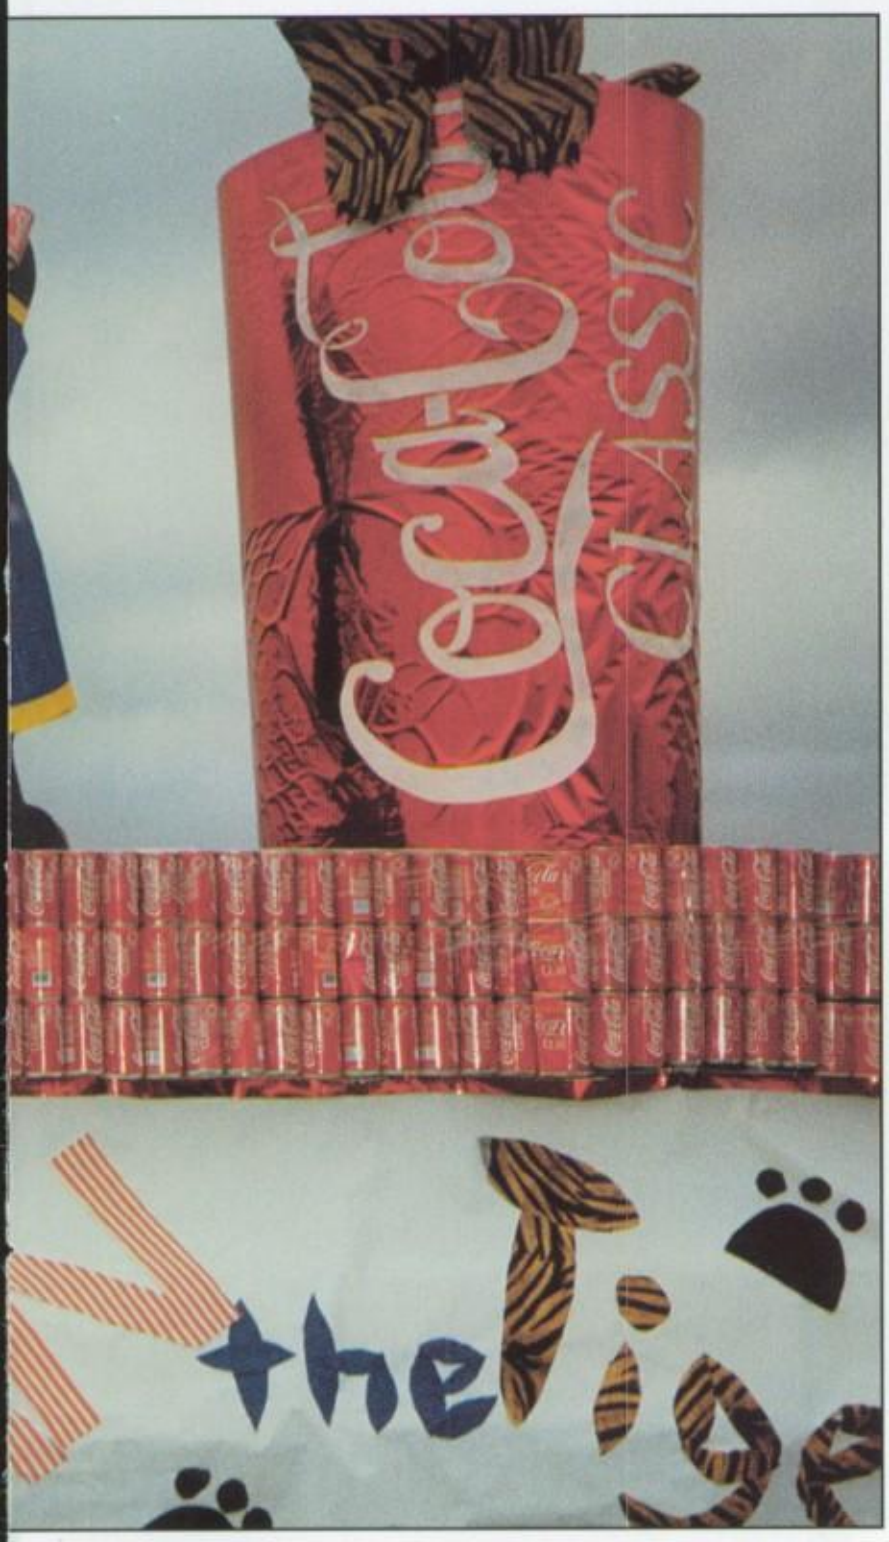
▼Shelley Vanderberry was in charge of the Homecoming Parade.

The Parade

The theme of the 1986 Homecoming Parade dealt with old movies and anything that represented a classic. The parade was a fantastic success, with many clubs and classes participating. The floats were creative and included such themes as *King Kong*, *Zorro*, *Grease*, and many other old movies. The Senior Class won first place with their entry the "Classic Coke Float;" they received a cash award of $100. The Juniors won second place with their Walt Disney Productions float. The Drama Club won the PTA award with their Good Ship Lollipop float. The entire homecoming court rode in convertibles in the parade, as did the administrators and the Grand Marshall. The parade was a fabulous array of the creativity of Western Branch students.

▲The escorts prepare for a chilly ride in their convertibles before the parade.

▲Seniors Chris Ossolinski, Diane Frese, Amy Melchor, Pam Revell, Lisa Rein, and Theresa Morlino clown around during the parade.



▲The Senior Class made a "Coke Float" and won first place in the float contest. Bubba Fortin drove the float during the parade.

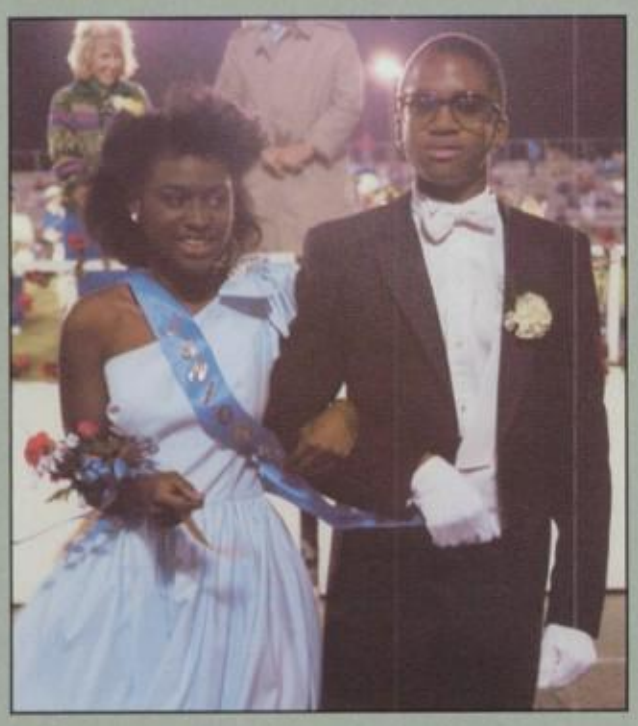
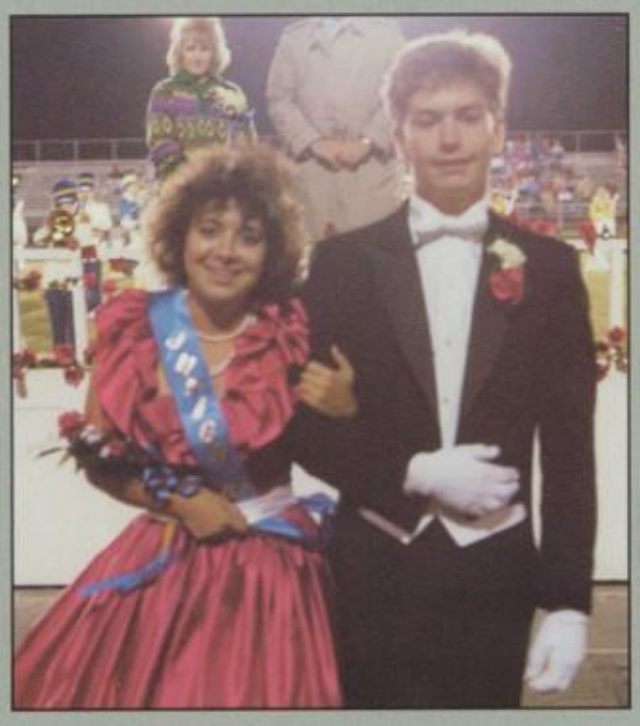
'86

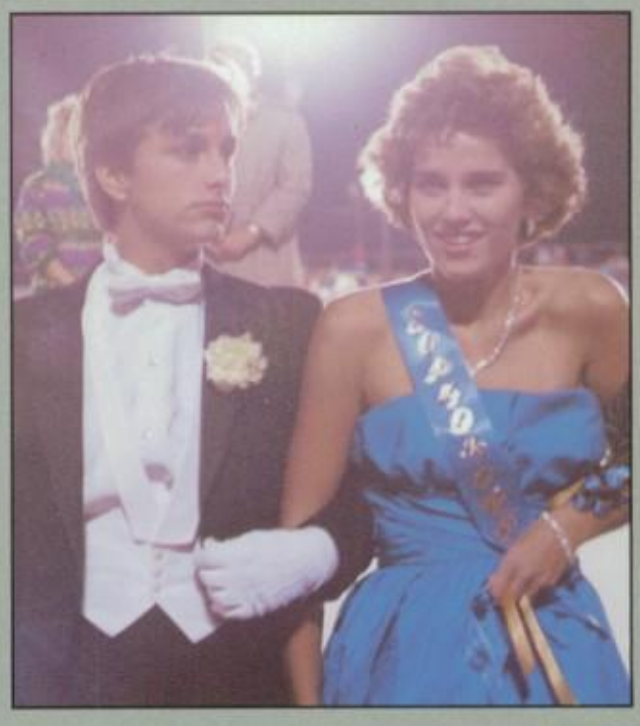
The 1986 Homecoming court included five seniors, five juniors, one sophomore, and one freshman. These special girls were chosen by their respective classes. Each member of the court chose an escort from her class. The representatives and their escorts were honored at the pep rally, the parade, and during the half time festivities of the Homecoming game. This was when the Queen and Maid of Honor were announced.



Junior Representative: *Janine Whitley and her escort, Steve Pitts.*



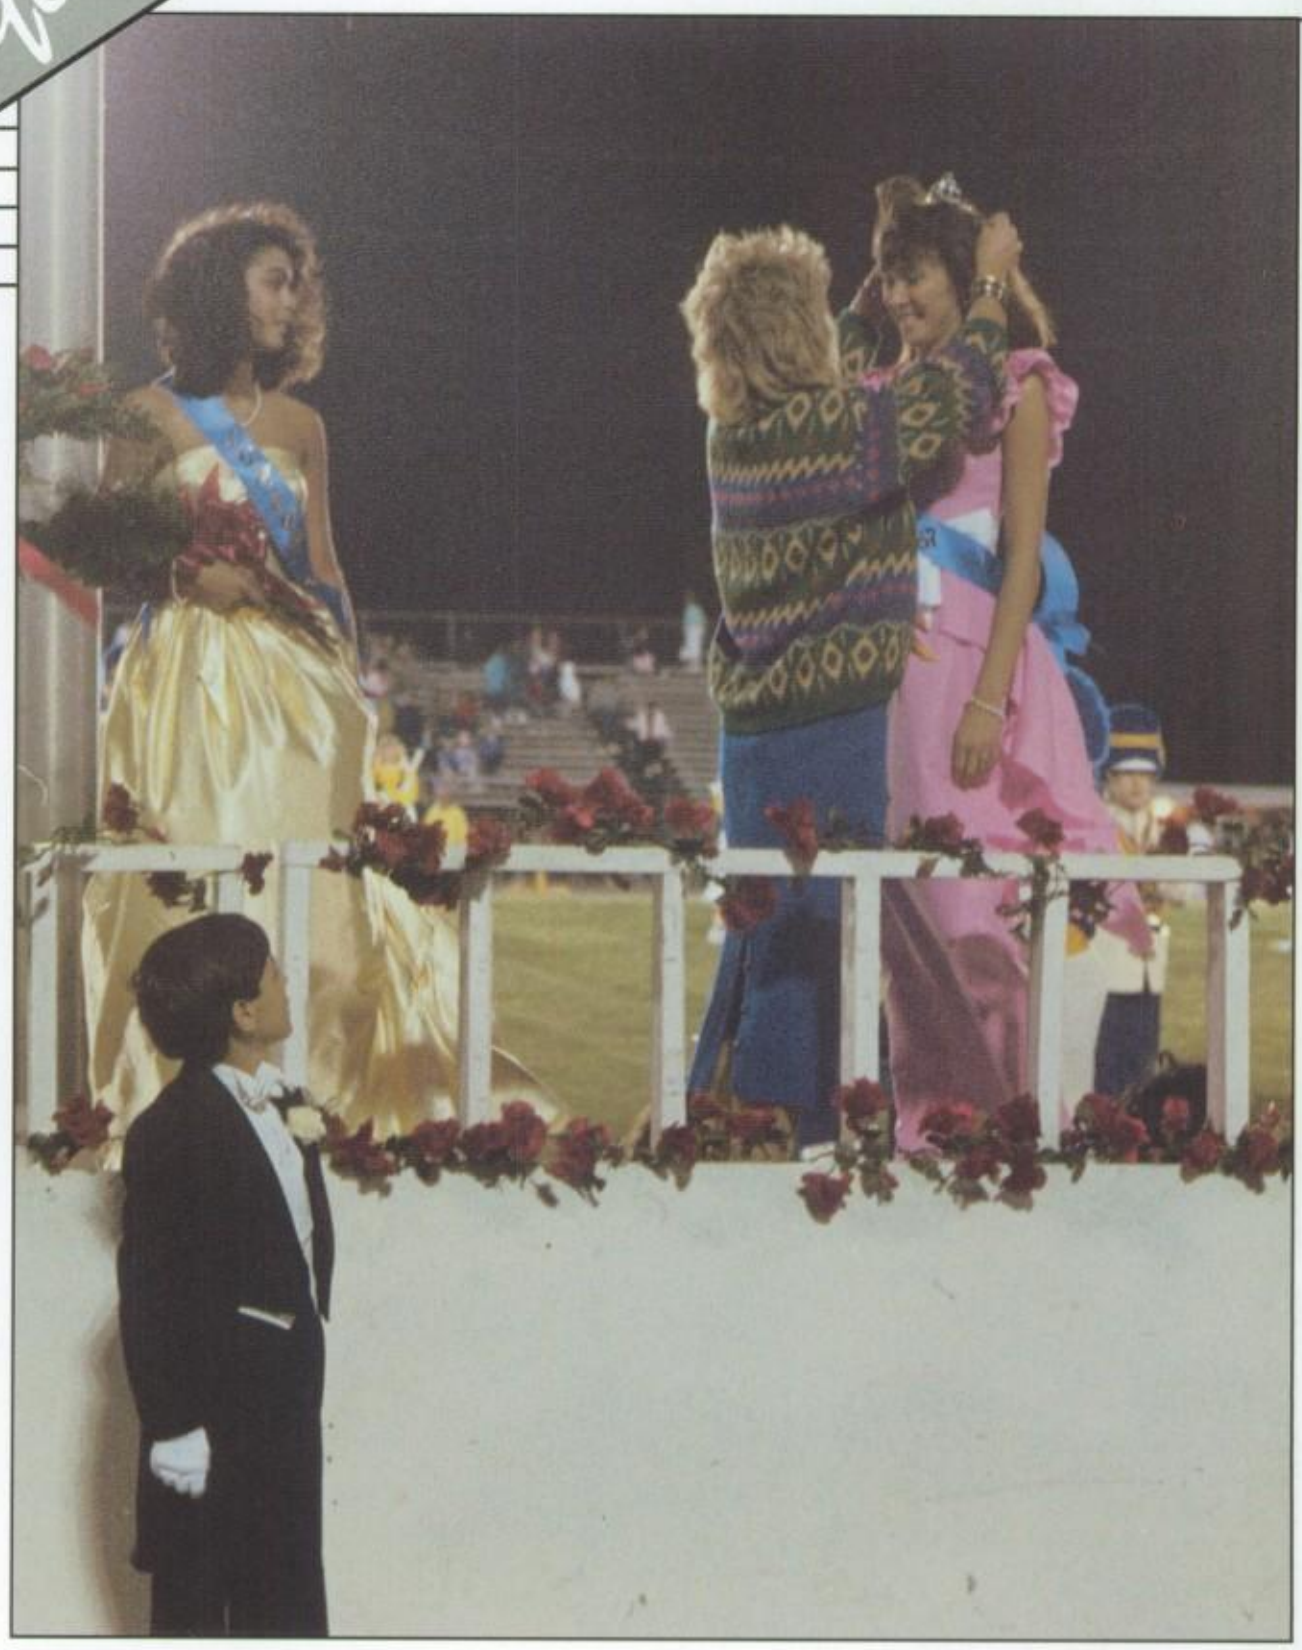
Junior Representative: *Betsy Moose and her escort, John Stone.*



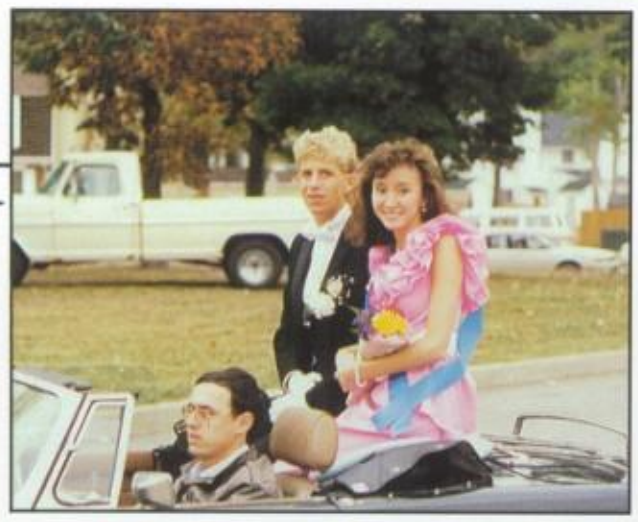
Sophomore Representative: *Jenni Dickenson and her escort, Danny Cruce.*

A Glamorous Life

Lynn Antonucci was surprised and elated when her name was called as the 1986 Homecoming Queen. Lynn was chosen by the entire student body, as was the Maid of Honor, Christine Bueno. Chris was escorted by Mark Williams, and Lynn was escorted by Gerry Jordan. Both girls were crowned by the 1976 Homecoming Queen, Robin Eberwine. Lynn is very busy at Western Branch where she is President of the Senior class, and the Latin Club, a member of the National Honor Society, Marshals, and plays on the Varsity Basketball team and is involved in many other extracurricular activities. Lynn is the all-round Western Branch student.



▶Robin Eberwine, the Grand Marshal, crowns the Homecoming Queen of 1986.



▲Lynn Antonucci and escort Gerry Jordan ride in the parade.

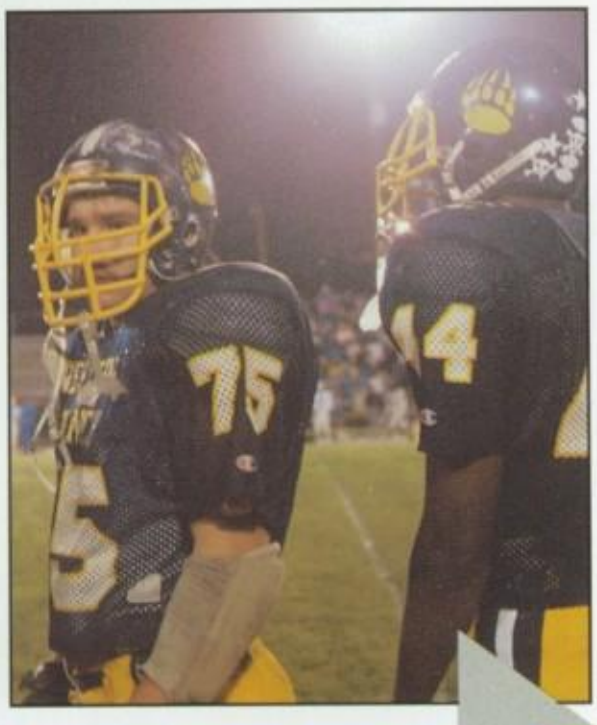
▲The soon-to-be queen smiles for the camera.

▶Chris Bueno is crowned Maid of Honor.

A Lifelong Dream!

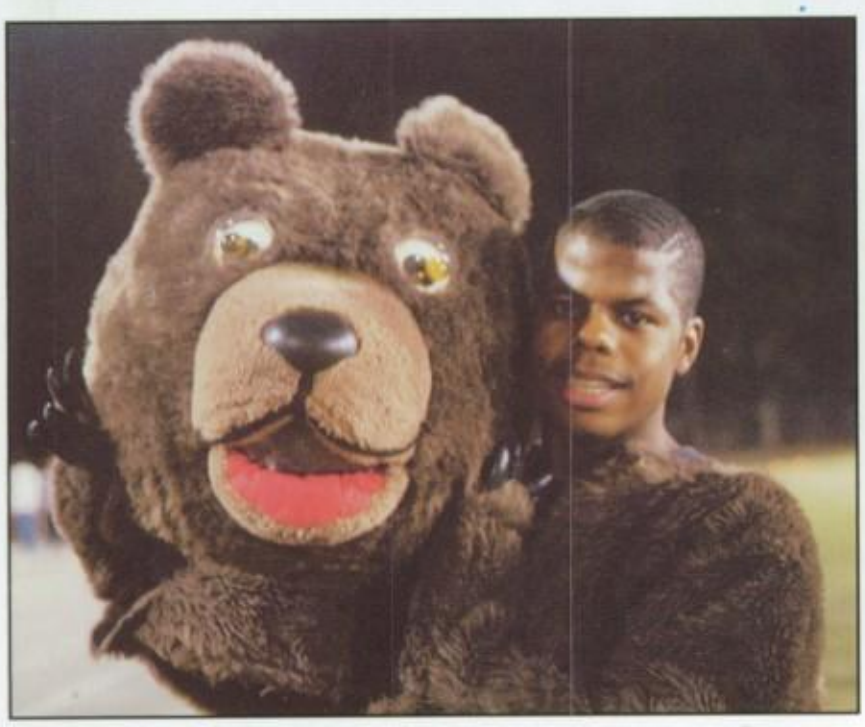
▶The Varsity Cheerleaders show their spirit at the game.

▶Varsity Cheerleaders Clara Spears and Regina Turner celebrate the Bruin Victory!



The '86 Homecoming game was a great plus to the total homecoming festivities. The Bruins defeated the Oscar Smith Tigers 51 to 20. The scoring was lead by Justin Davis with 4 touch downs. Jodi Rogers, Richard Hayes, and Terry Bulluck each added to the continuing victory. To finish off the scoring for the Bruins, Curtis Smith added a 35-yard field goal with 8 seconds left in the game. The Bruins' offence ran the Tigers off the field. Terry Bulluck contributed 110 yards to the total 327 yards rushing done by the WB team. The high spirited crowd supported the team throughout the game with the cheerleaders shouting the cheers that lead the team to victory.

◀ Marching Bruins take the field. *"Mark Time, Mark!"*



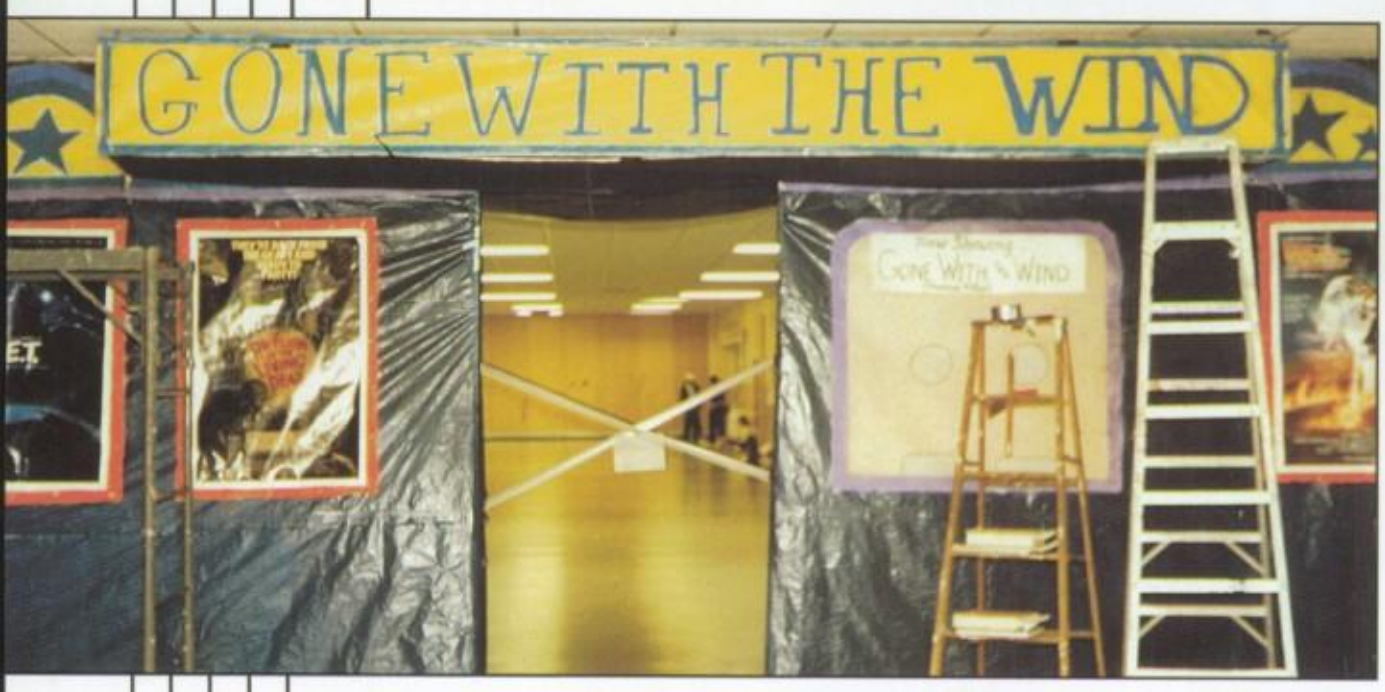
▲ BJ Jones is *"Barney the Bear"*

▲ Bruin pack it in for a Homecoming **VICTORY!**

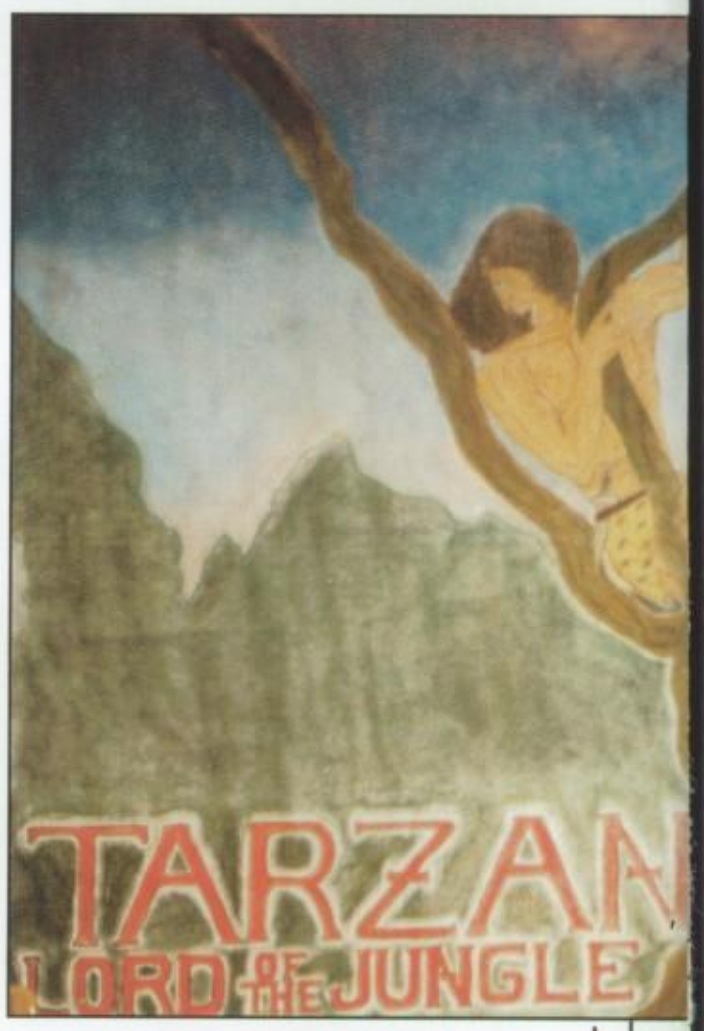
Night Life

▶Diane Frese is *dancing on the celling* while setting up for the Homecoming Dance.

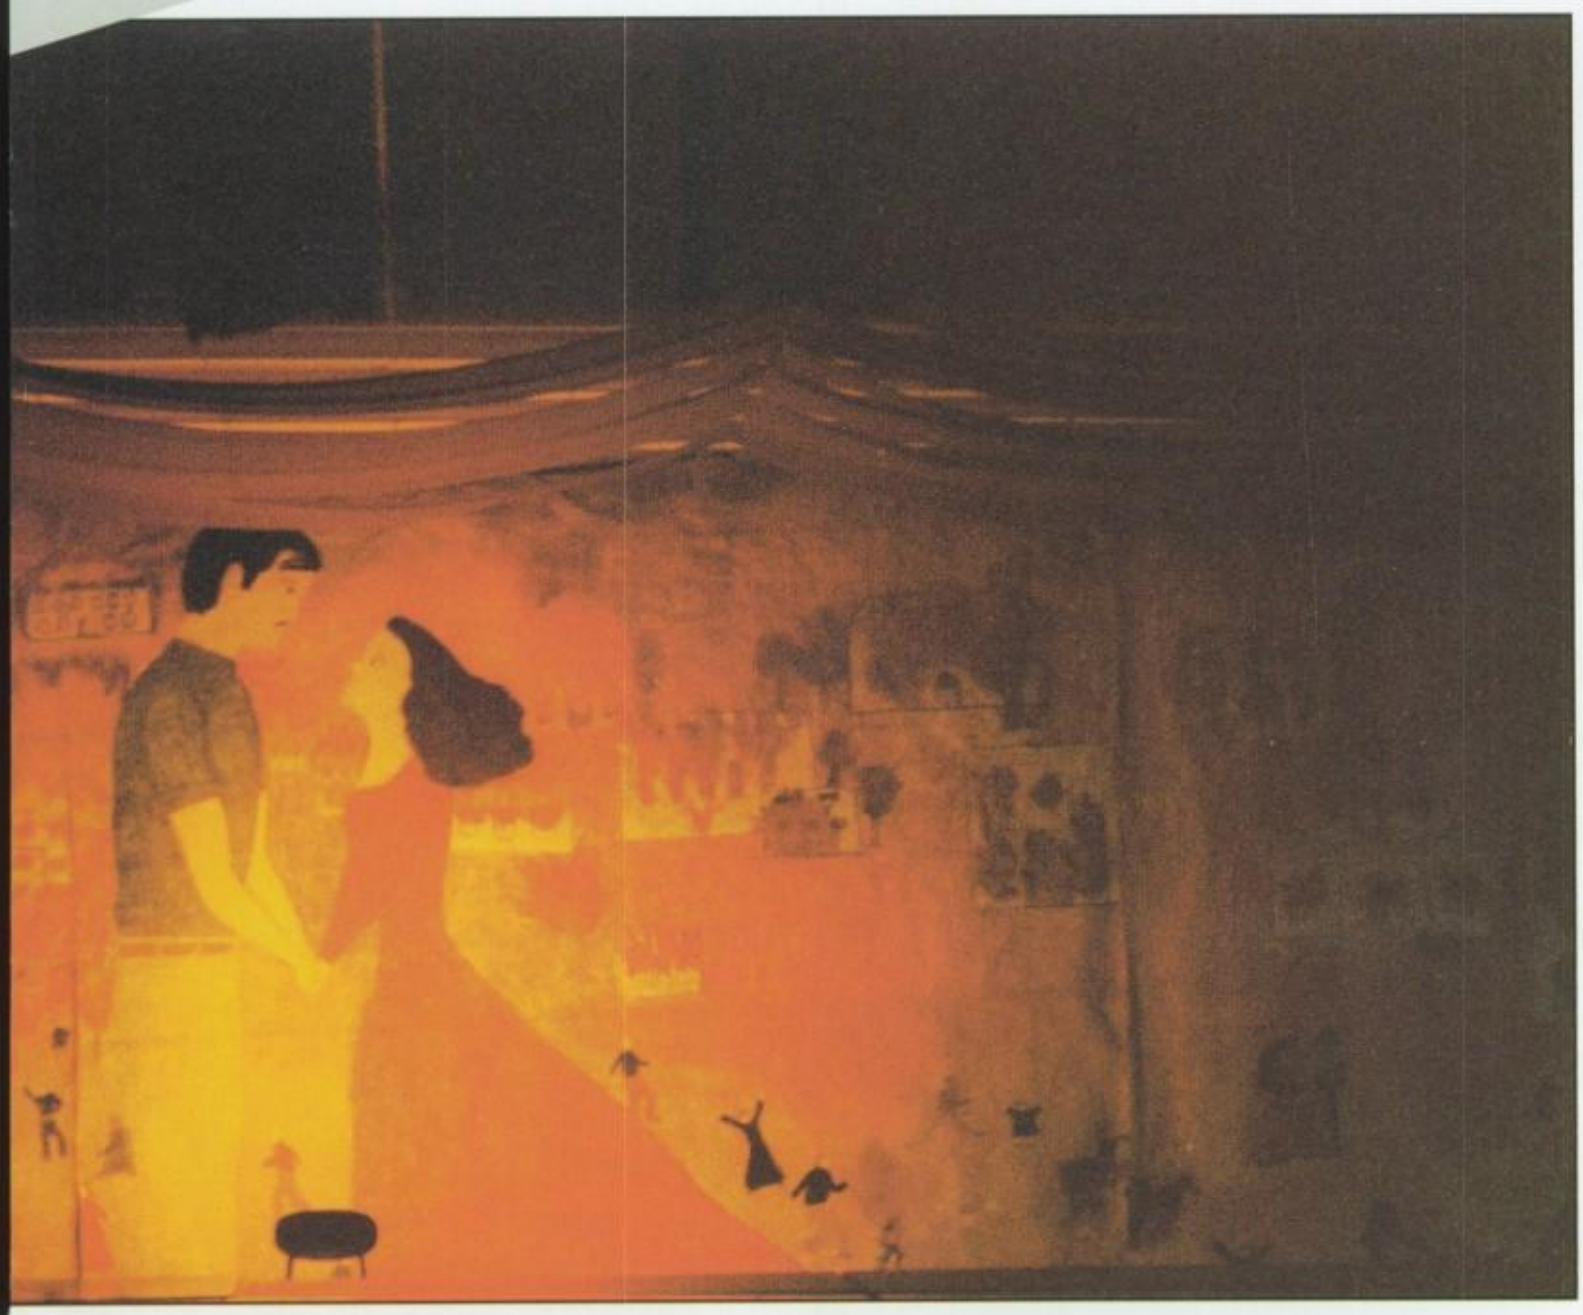
▼The entrance way for the Homecoming Dance. **Enjoy the show!**



▲The Senior Class sign adds class to the dance.



▶*Tarzan, Lord of the Jungle* ...is coming soon to a theatre near you!



The impressive Homecoming Victory set the tone for the dance that followed. The enthusiasm carried over from the game coupled with the fantastic decorations in the commons made the '86 Homecoming Dance the best one ever. The SCA Exec Bd transformed the commons into an old fashioned movie theatre. One entered through a ticket booth (complete with marquee and preview poster), and became part of an imaginary audience entharalled with the most famous scene from *"Gone With the Wind."* Other murals depicted scenes from *"Tarzan," "Surfin Safari,"* and *"Singing in the Rain."* The drapped purple, silver, and blue streamers formed a curtain and finished the already effective use of darkness and art to create a "cinema like" atmosphere. Homecoming '86 was one feature attraction no one should have missed.

◀*"Gone With the Wind"* starring Scarlet O'Hara and Rhett Butler is now showing at the Homecoming Dance.

◀Shelly Vanderberry, Lisa Rein, Jodie Jean, Pam Revell, and Lisa Holland take a rest after a long day of setting up for the dance.

Bruin Spirit Comes to Life

▲Seniors Lisa Holland, Diane Frese, Pam Revell, Janette Turner, Alyssa Anderson, Chris Ossolinski, Paige Bradley, Amy Melchor, Becky Carawan, Theresa Morlino, Lisa Rien, and Lesley Nash *"reveal"* that **SENIORS ARE #1!**

▶Chris, Marcie, Angie, Suzette, Marti, Tammy, Nancy, and Liz look **HOT** on *Vogue Day*.

▶*Nerd Day* brought out the real Tonya, Theresa, Elise, Paige, Jennifer, Shelly, Lisa, and Kerri.

◀Ginny McArthur, Mrs. Lindell-Overton, and Betsy Moose wear orange and black on *Traitor Day*.

◀Susan Amory and Kerri Jenkins are "psyched" for the game.

◀The Western Branch Varsity Cheerleaders and Barney Bear pose behind the tomb stone for the Churchland team.

Spirit Week was an exciting success at Western Branch. Students of all classes dressed up to show their spirit and enthusiasm. The cheerleaders organized the entire week to boost the spirit of the student body. Some highlights of the week included Surfer Day, Vogue Day, Traitor Day, Blue and Gold Day, and the ever popular Nerd Day. Many people's true personalities became evident during this hilarious week. A spirit contest continued throughout the week and the winners included Seniors Shelly Vanderberry and Robbie Hess. The week ended with the smashing victory at the Churchland Truckers by a score of 41 to 14. Spirit Week was an overall success in reviving the Bruin Spirit.

◀Gerry Jordan, Mark Williams, and Darren Snow show they are true Bruins!

◀The most spirited students,Shelly Vanderberry and Robbie Hess, accept their awards.

The Life of a Winner!

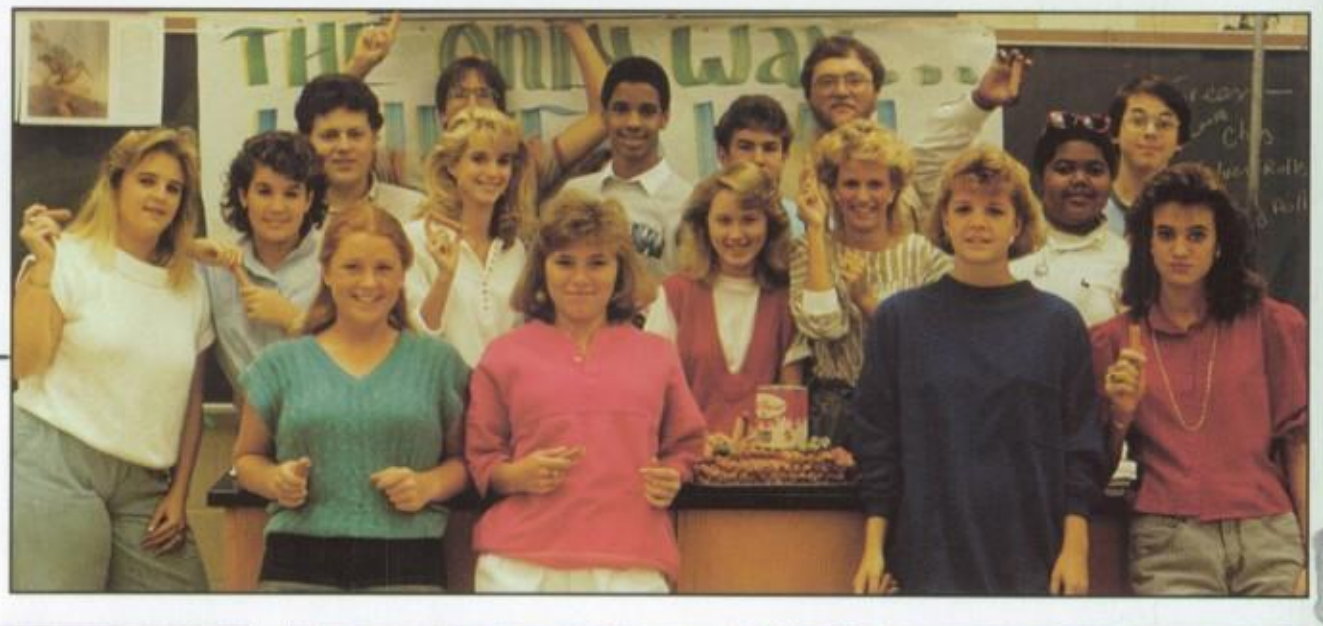
Western Branch is truly the home of the champions, as many teams and students at our school are constantly headed towards the winners's circle. Last year two *Odyssey of the Mind* teams qualified for the world competion which was held in Arizona. The *"Tubie"* team won first place at the world competition.

Another winning team at Western Branch is the Junior-Varsity Cheerleaders, who won first place in the in the JV division of the Grand National.

The cheerleaders weren't the only champs; the ROTC Girls' Drill Team won first place and the Boys' Drill Team won third in last years ROTC competition.

One more circle of winners includes Mrs. Guy's 1*st* Bell class. This motivated group of students raised $309.19 for the United Way Fund. Western Branch has a remarkable record... **they're all winners!**

☞▲The world champion OM "Tubie" Team of Darryl Baxa, Bronwyn Spiers, Linda Chin, Linda Kelly, Marie Kirk, and Ken Denby visited the Grand Canyon.



▶Mrs. Guy's first bell class had an auction to raise money for the United Way fund.

▼The Boys' ROTC drill team prepares for a big competition.

▲The JV Cheerleaders show their spirit at cheering camp as they portray the Statue of Liberty.

◀The Girls' ROTC drill team practices for competion, where they won first place.

Senior Memories . . .

In Loving Memory of Andrew Pope

Some of the fondest memories that people have of earlier years are those of high school activities and friends, especially friends like Andy Pope. Andy was a very outgoing person.

During his years in high school, he participated in several sports. In the fall, he played varsity football, in the winter, he played basketball and when he was not engrossed in these activities, he lifted weights.

Andy was well liked and had many friends and admirers. But the people who were closest to him know that he was a special person, more than a lot of people realize. He was kind and caring. He had the ability to make the worst days seem a little bit better. So, when the CLASS OF '87 looks back on their senior year ten years down the road, Andy Pope will not be forgotten.

Scholastic Seniors

During the fall of each year, the Preliminary Scholastic Aptitude Test is given to high school sophomores and juniors across the nation. The performance of each junior is evaluated and the top scores are chosen as the basis for semi-finalist for the National Merit Scholarship. Philip Gripka and Chris Ghaem were the only students selected from the Chesapeake and Portsmouth areas. Ten other students from WB were commended on their performance: Jennifer Tinkham, Steve Gagnon, Mike Ellwanger, Kathy Graber, Marie Kirk, Danny Tomso, John Martin, Daphne Spiers, Meredith Rohlf, and

Seniors show their spirit on Nerd Day.

SENIOR SPIRIT

Although this school year has been filled with much excitement and worry over filling out college applications and graduating, the seniors continued to play an active role in their school. The Class of '87 devoted much of their time to the Homecoming festivities and proved it by winning first place on both their "Coke Float" and "Senior Safari" class sign.

The Seniors also showed their spirit at pep rallies. The cheerleaders along with the Seniors boosted the morale of the student body. The Seniors, disguised as Flashers, revealed that the Senior Class is #1 during Spirit Week. They

Senior Cadet Shannon Thorne

Prominent Seniors in ROTC

Outstanding seniors in the Air Force JROTC program for 1986-87 are Cadets DAVID BROYLES, WILLIAM EPPS, RODNEY HARRELL and SHANNON THORNE. These cadets are in their fourth year of the Aerospace Science program and occupy positions of responsibility and leadership in the Cadet Corps.

During their four years all of these seniors have served in various leadership positions and have demonstrated a willingness to put in much extra time and effort and placed the good of the Cadet Corps ahead of their personal wishes at times. Their efforts have played, and continue to play, a major role in the success of the WBHS ROTC unit.

In addition to their rewards from the program all have received several National Awards. They were selected for these Awards from such organizations as: Air Force Association; Reserve Officers' Association; The Retired Officers' Association; Daughters of the American Revolution and others. These awards are on a competitive basis and receipt of one indicates a Cadet who has participated fully in the ROTC program and made a positive contribution.

Foreign Exchange Students

Western Branch is one of many high schools actively involved in the American Field Service(AFS). This year, students from five different countries are attending WBHS. Those students include: John Alstad, from Norway; Marcella Morea, from Costa Rica; Ma Izaskun Corral, from Spain; Ines Juliano, from Brazil; and Tarja Siitari, from Finland. Families within the community sponsor the students and service as host families. Each of these five students were asked to fill out a questionaire on the differences between his or her respective country and school, and the United States. The courseload is much greater at each of their schools, and each day offers a different schedule. Most of them are fascinated that public transporation is not offered in our area, and that WBHS students always drive to get to where they need to go. John said that he "likes American women" and the fact that we "have a Coke Machine in school." Marcella compared American food to food in Costa Rica and said that she didn't know why it "had too many calories" compared to Costa Rica's food, and "this situation makes me Fatten." Izaskun is the only one who has been in the U.S. before. She visited California four years ago, and has been to Washington and North Carolina. Ines said that she likes the U.S., and likes to "see the different kinds of life at the different regions of the country and how the people enjoy the influence from other countries."

Western Branch hoped that each of these students enjoyed their stay as much as we have enjoyed having them.

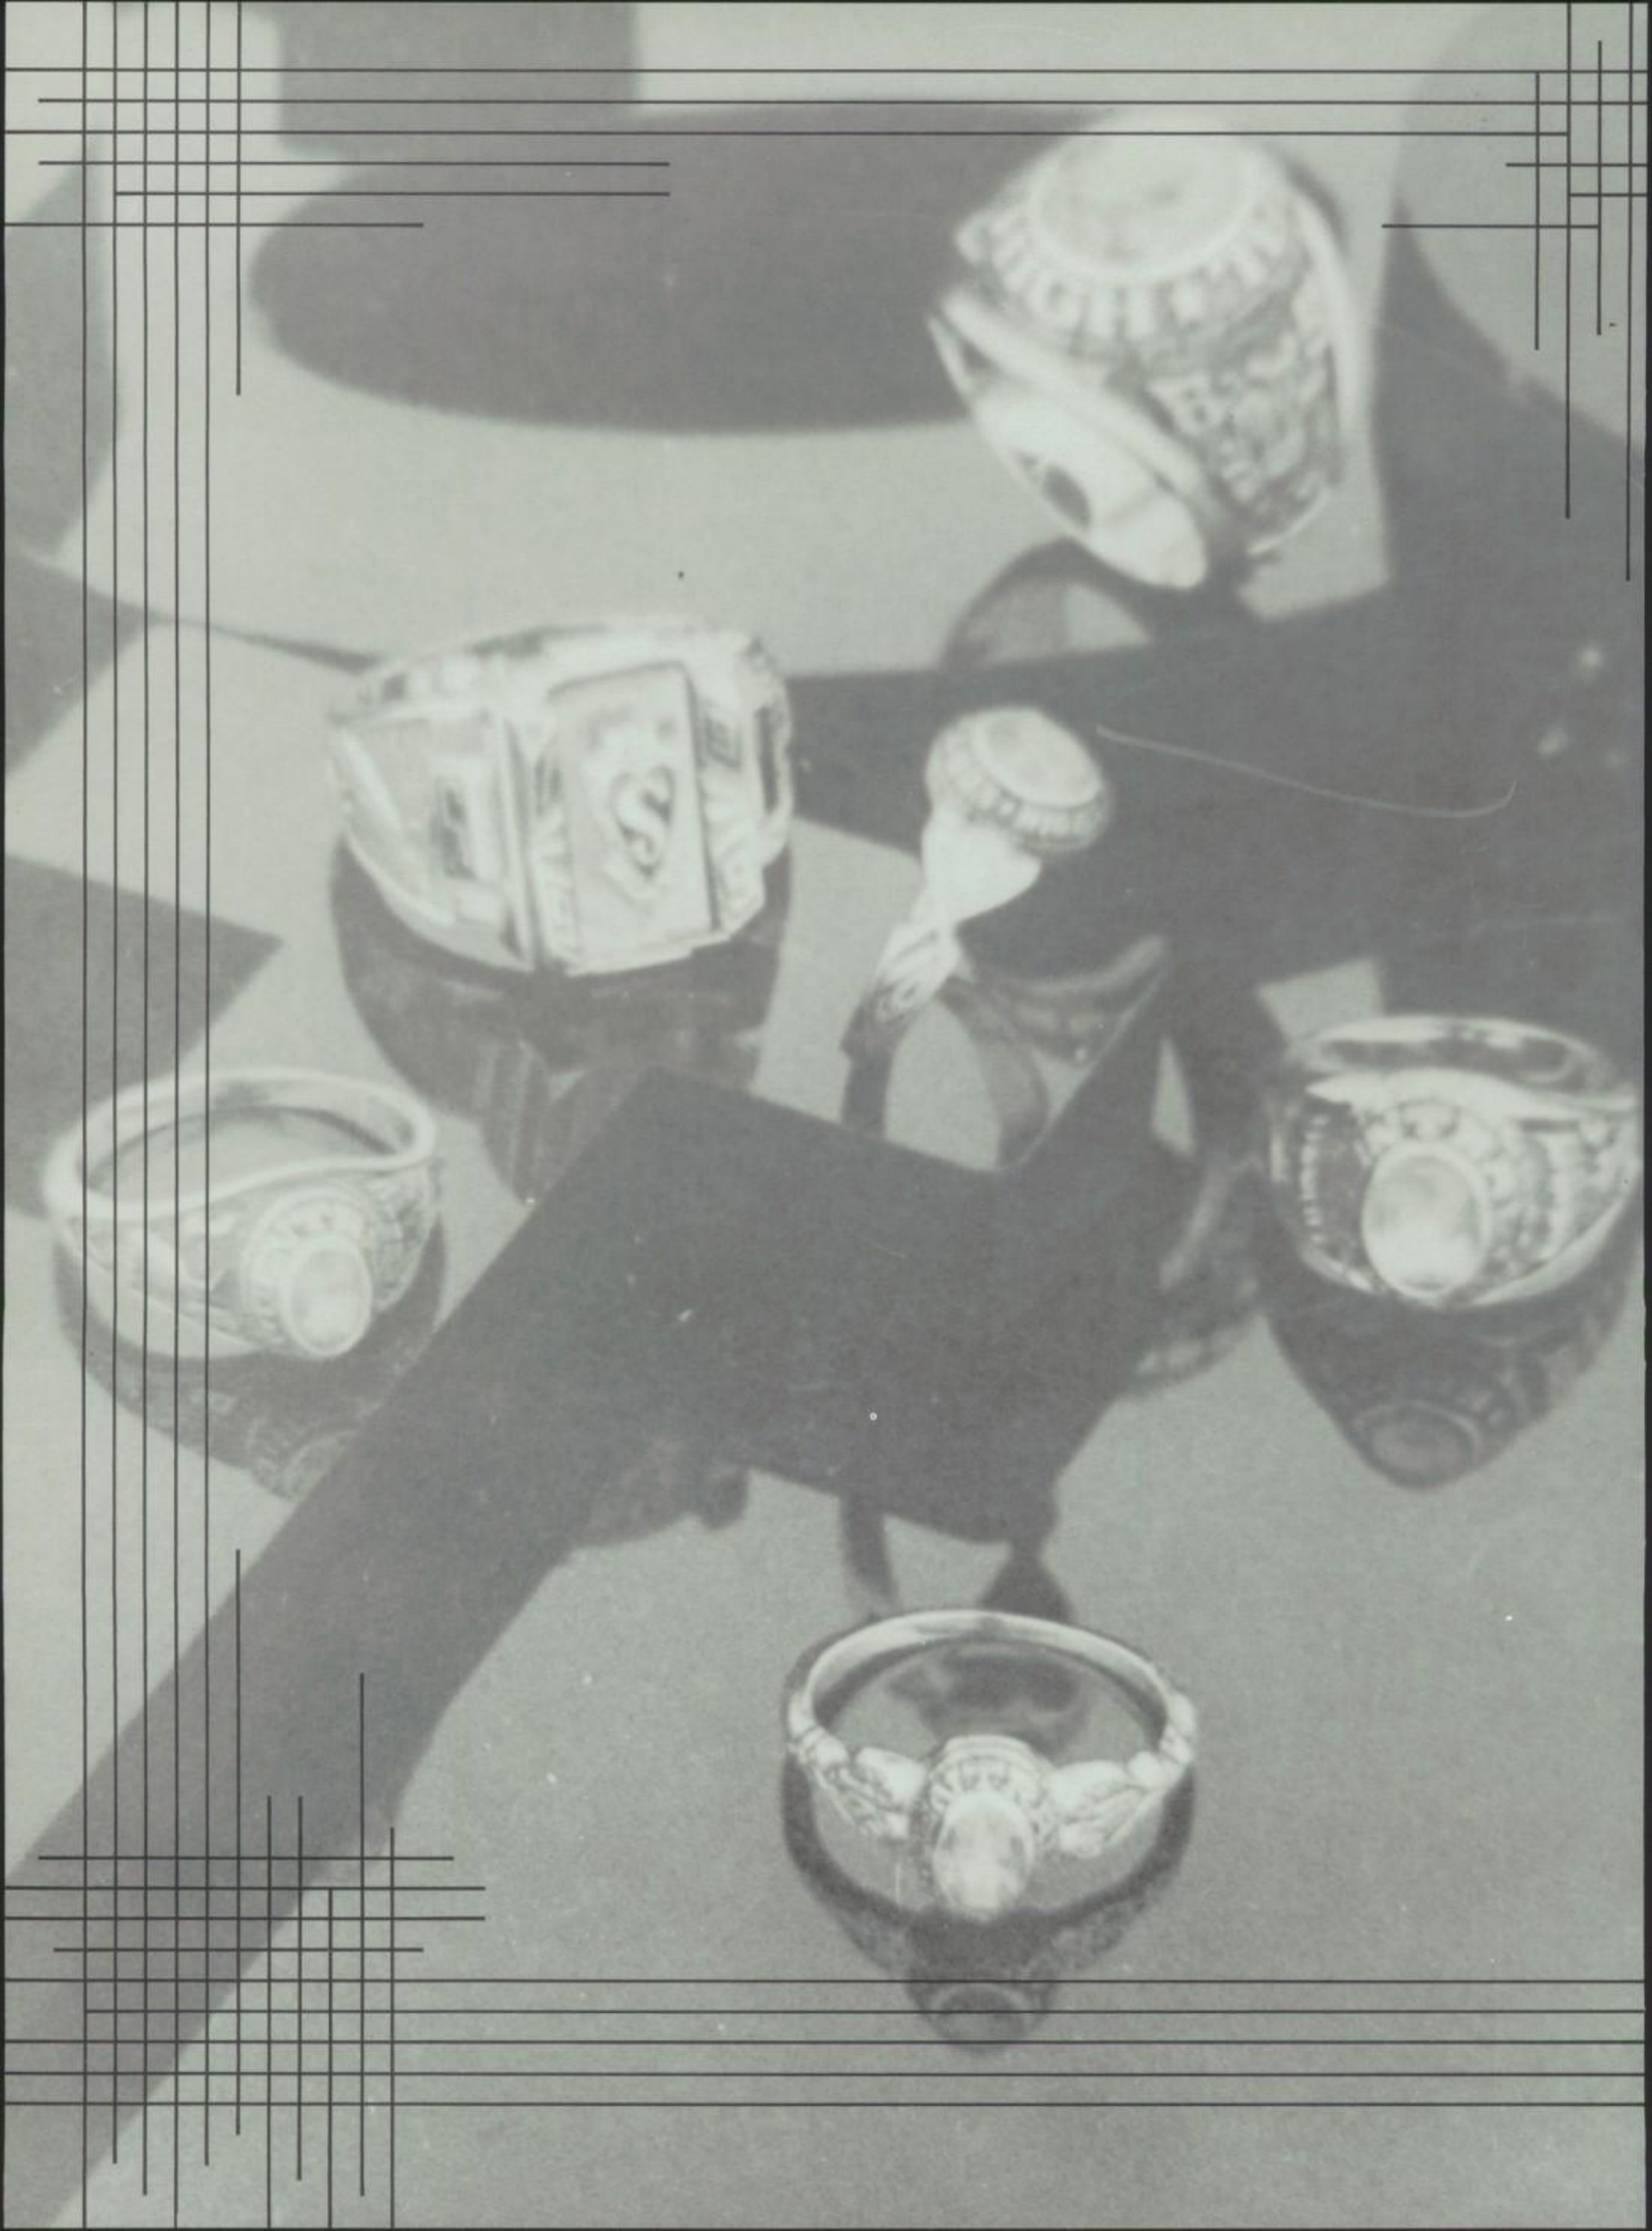
Senior Memories . . .



Class Officers: President: Mike Maleski; Vice President: Betsy Moose; Secretary: Gloria Koo; Treasurer: Kendra Karnath; Chaplain: Shay Rosencrans; Publicity: Chris Bueno; Reporter: Lynn Hunting

The 1986-87 school year was very promising for the Class of '88. The Juniors showed their spirit during Homecoming '86 when the class placed second in the sign contest. This showed the other classes that the Juniors can still hang with the best. As Juniors, the Class of '88 was also responsible for the Junior Senior Prom, having to raise money and organize for the memorable event. The Prom Committee worked very hard to ensure a memorable prom. The year started off with a bang with the annual ring ceremony. And with all the activities the Junior Class participated in, they will be ready for another busy year as Seniors in 1988.

Angela Jackson

With a G.P.A. of 3.72, Angela Jackson is an outstanding junior. Angela is the Vice President of the Spanish Club, a member of the Chamber and Varsity Singers, and was a representative of the junior class in the Homecoming Court. Her most strenuous classes are Advanced Biology, Honors English, and trigonometry. When asked about her life she said "... it is happy, fulfilling, and sometimes hectic."

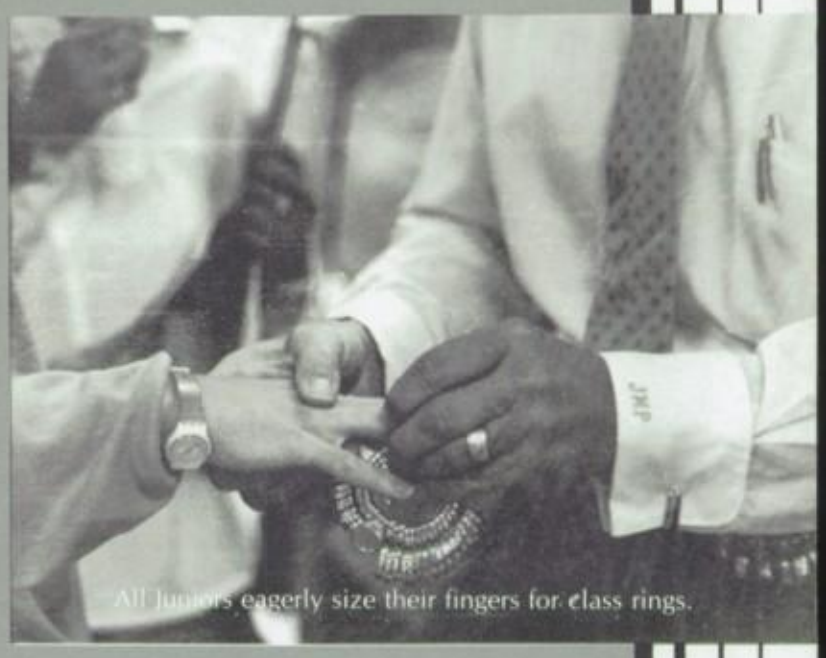
Katie!

Katie Dickensen, a talented junior, enjoys being a Varsity Singer for the Chorus. She is also a member of the elite group, the Chamber Singers. Outside of school, she was the sole female singer in a rock band.

As well as her singing talent, she is also an honor roll student, a member of the WB Service Club, and the SCA Full Council.

She is a responsible and trustworthy member of the Jr. Class, and was chosen to head the prom committee. Outside of school, she is the president of her church youth group.

She is an outstanding member of the junior class with a combo of talent and dedication which allows Katie to stand above the rest.



All Juniors eagerly size their fingers for class rings.

BUENO IS BUENO!

She found herself in the top ten nominations; she then found herself in the final court. The big night came and Chris Bueno was announced as Maid of Honor for Homecoming '86. Chris is a junior and finds herself among many activities other than her normal classes. She participates in varsity softball and volleyball, and has high hopes of becoming a varsity basketball player. Besides school related activities, Chris enjoys swimming, writing in her spare time, and even fishing and beaver trapping. Chris is an outgoing person and shall continue to be throughout her remaining high school years.

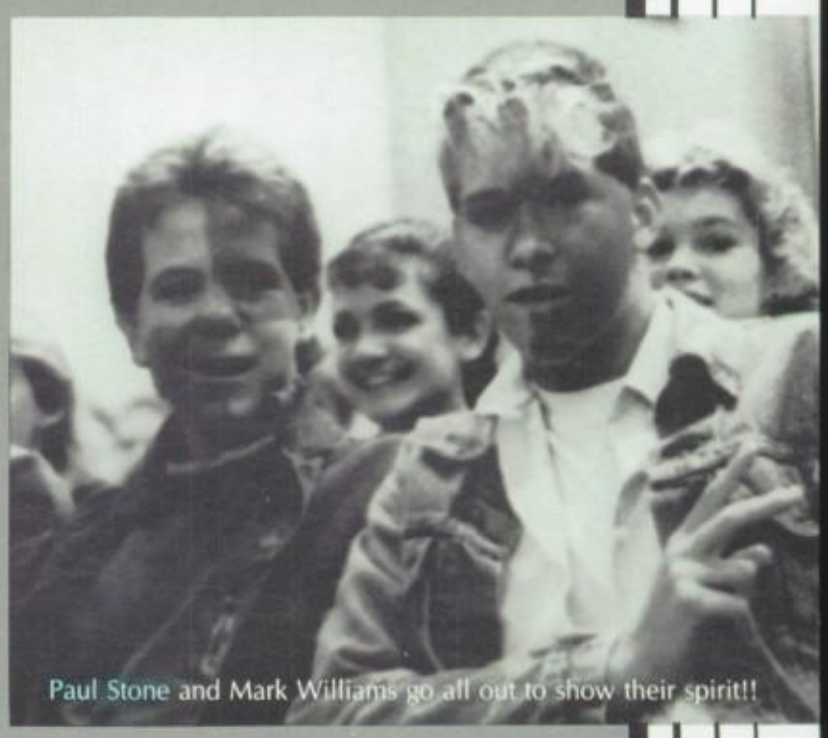
Pat The Spirited One

Behind the white and blue pom-poms of Pat Southall you will find a truly talented junior. All through high school she has been a cheerleader and even coached the W.B. steelers to a first place victory. Pat is a member of the Varsity Singers, Drama Club, and I.C.C. She has been a rep. in the S.C.A. and holds the office of secretary. She has held the titles of Miss Teen Tidewater, Miss Teen Tidewater Charm, Miss Junior Teen of Virginia, and Model of the year. When asked about student life Pat replied, "I feel that Western Branch has a family atmosphere with a lot of different activities to be involved in." Pat is presently maintaining a 3.3 G.P.A.



Paul Stone and Mark Williams go all out to show their spirit!!

Mike Battle shows everyone up on skateboard ramp.

John Neimeyer

John Neimeyer says that student life at WBHS consists of different people joined together as friends irregardless of their differences. John has lettered from his participation on the varsity soccer team for two years. "I play soccer year round," and he does; he plays on a select team, and both a winter and summer adult team. Although his time is in great demand, John still is able to maintain his grades with all A's and B's. He has all honors and advanced classes and participates in many after school clubs. John Neimeyer is a lively student.

New Head Marshall

John & Betsy, Do we hear wedding Bells?

This year the special honor of being elected the new Head Marshall was given to a worthy junior, and our class president, Mike Maleski. This honor was passed on to Mike by the former Head Marshall, Chris Ghaem. Mike is a very active junior in WBHS; he is involved in many school activities and has recently been accepted as a member of the National Honor Society. Out of all the lively juniors in the class of '88, we would like to congratulate Mike Maleski on being elected the new Head Marshall!!

SOPHOMORES . . .

In a mid-life crisis

G. Gard, Secretary; J. Dickenson, Historian; K. Sharp, Vice President; D. Bueno, President; F. Lomonoco, Chaplain; M. Hozier, Treasurer; J. Taylor, Publicity Director. Miss Duquette, Sponsor.

Super Sophomores! The Sophomore class is on the top, completing their second year of high school. This year the Sophomore class has been very active and enthusiastic in the body of Western Branch High School. The class homecoming float, "Sophomores Tip Their Hats To Spirit and Commitment" had much participation. The class sold Christmas candles and successfully completed class dues.

Yes, the class of '89 has moved on to participate in school activities, such as assemblies. They are no longer "Freshmen — the babies of the high school." Many Sophomores will be "recklessly living" on the road as they achieve their driver's licenses.

The Sophomore class has many honors students and high achievers in other areas as well. A class with a load of spirit and full of "LIFE" — that's the Sophomore Class.

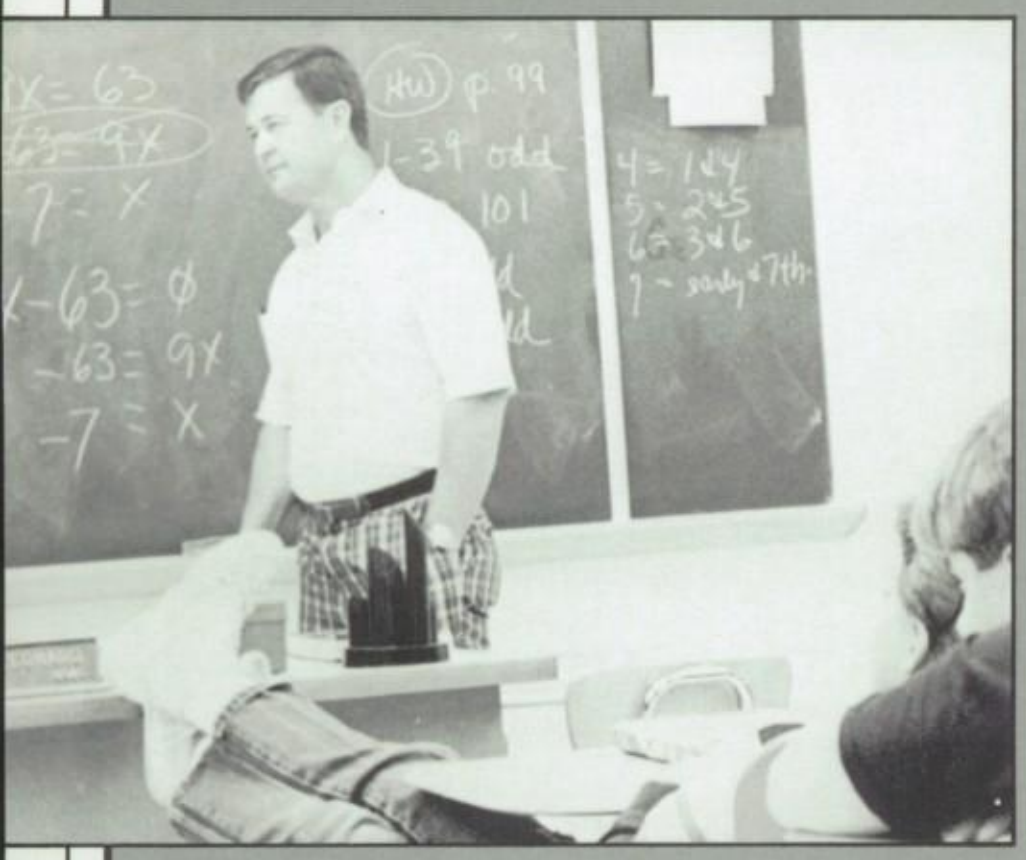
"A Superior Sophomore"

Francesca Lomonoco is a person hard to describe. She's got athletic ability, fun, wit, and charm all rolled into one person. This will be her second year on the girl's varsity soccer team. She was voted Chaplain for her class and she was the woman behind the sophomore float for homecoming. She is a member of the French Club and the Monogram Club. When Francesa graduates, she would like to attend Georgetown University. But, while she is in high school, she will continue making her friends laugh. Good luck, Fran!

Outstanding sophomores take time to pose.

"The Over Achiever"

Linda Chin is a definite asset to the Sophomore Class. Being a Sophomore, she has achieved alot these two years. This was her second year in Forensics and in the Olympics of the Mind. Despite the demanding clubs she's in, she still maintains her 4.0 grade pt. average. She takes all honors classes and enjoys school, she says. In the future, Linda would like to attend a medical college to learn to become a doctor.



Can't seem to stay awake!

Carrying the Tunes to the Top

Scott Williamson is singing his way to the top. This being his second year in the Varsity Singers, Scott has achieved a lot. This year he made the Chamber Singers in Chorus. Last year, he was district champion in Forensics. He participates in Regional Chorus and has a 3.5 GPA. Looking ahead, he would like to attend UVA to study law.

Darren Lewis

Darren Lewis is never "just sitting around." This being his second year on the JV football and JV wrestling teams, he is always on the go. He maintains a 2.8 grade pt. average. He hopes to make the Varsity football team next year. All around, Darren is just a guy that likes to have fun. He plans to attend college in the future. Keep it up Darren!

Freshmen

Freshmen Live for 1990.

Top Row - Jemma Kennedy, Vice President; Dee Dee Jones, President; Diane Kimball, Treasurer
Bottom Row - Cristin Motley, Secretary; Young Kim, Publicity Director; Jennifer Voncannon, Chaplain

For the class of '90, Freshman orientation and adaptation fostered cooperation - with council, guidance, and support. Enthusiam and excitement, strengthened by class unity, encouraged the freshmen onto greater heights.

Since the year '82-'83, initiation of freshmen has been banned from WBHS. However, this practice still continues by some students demeaning others with lipstick, perfume, and rude acts. Many freshmen were embarrassed by this "hazing." Hopefully, next year, this will be a thing of the past.

With only three more years of fun and excitement at Western Branch, freshmen should enjoy themselves and strive to accomplish their every goal.

Young Kim Excels!

Young Kim is an exceptional freshman. In addition to maintaining an "A" average, she is also involved in many freshman activities. She is the freshman class publicity director and is in many activities such as OM, the Spanish Club, Forensics, and the Math & Science Club. Her favorite activity out of school is

playing the piano. She is active in the Virginia Symphony and Sr. Youth Orchestra. Kim also enjoys teaching violin to young children in her spare time. She definitely has a busy day.

A Frisky Freshman

Jason Maleski is an active freshman of Western Branch High School. While still maintaining a "B" average, he somehow finds the time to participate in a large variety of sports including football, baseball, tennis, karate, skiing, golfing, and swimming. Jason is a former OM champion and placed both first and second in city competition for swimming. He is also actively involved in both the Spanish and Alma Clubs. We hope he will continue these great efforts throughout his high school career.

Dee Dee, An All Around Girl!

Dee Dee Jones is a fifteen year old freshman who is hard to keep up with. She is the president of the freshman class and a J.V. Cheerleader. She represented the freshman class this year in Homecoming. Dee Dee loves cheering, and she plans to carry it throughout high school. She also loves gymnastics. Her favorite subject is French, and in her spare time she enjoys going to the mall.

A Work of Art

The Bruin '87 is a recap of the 1986-1987 school year. It reflects student life, activities, and memorable events that occur throughout the entire school year. Western Branch High School opened in 1968 and this year it will complete its nineteenth year. It is the largest school in our city with approximately 100 faculty and 1,600 students. This year all of the mobile classrooms have been removed from our school site and a new wing has been added. The new wing consists of twelve classrooms, assistant principal's office, attendance office, and handicapped restrooms. Also, during the summer of 1986 acoustical tile was added to the ceiling of all the corridors and the main office.

The major themes for this school year are once again developing student pride within our school and also drug abuse for students. Both of these are joint efforts including students, faculty, parents, and members of the community.

The production of the yearbook is one of the largest undertakings of our school during any given year. It is a most difficult and time consuming task that is accomplished primarily by a small group of students and a few faculty members, including the advisor. This year, a new concept will be used in the yearbook production. The entire yearbook will first be typed on computer diskettes and these will be sent to the yearbook company for publication.

I would like to thank and commend the individuals, both students and faculty, who have worked so diligently on the **'87 Bruin.** I sincerely hope that you enjoy this yearbook and will refer to it in the years to come.

MARSHALLS

Marshalling is an extremely active program at Western Branch High School. To be considered for a marshall you must be within the top 10 percentage of your junior class. You must have at least a 2.8 grade pt. average to apply. Becoming a marshall is a full time duty and obligation to your school. Usually one marshall is assigned to a specific hall. It is an honor to be selected as a marshall.

To be eligible for membership in VICA, one must be in the ICT program.

This program is a co-operative effort in the classroom and at the student's place of employment. They participate in several competitions with stress on the skills required in their work area.

Mr. Peterson is the club sponsor.

FHA

FHA stands for Future Homemakers of America. The people in this organization prepare themselves as homemakers by learning to sew, cook, plan a menu, serve a formal meal, etc. The FHA club is not only open to girls, but is also open to boys. Club members learn to diaper babies, discipline children without forms of abuse, and they also learn to plan and stick to a budget.

Mrs. Todd is the club sponsor.

FBLA

FBLA contests are held in the following areas at the local, regional, state, and national levels. Typing, Accounting, Computer Concepts, OT I, OT II, Word Processing, BCA, Shorthand, Introduction to Business, and Business Law.

Each teacher in the Dept. administers the tests in all of the appropriate classes. The students with the highest score in each class competes at the school level. The highest scoring student in each area is then eligible to participate at the regional level and, hopefully, moves on to State and National. There are also prizes awarded to winning students in each area.

Academic Bowl

This year's Tidewater Challenge team was edged out of the championship round by a margin of 35 pts. The team, consisting of Clay Hornik, John Martin, and Steve Gagnon, seniors, and Albert Lin, junior, went through four rounds of competition, losing to Poquoson by less than 2 questions in the finals. The team's outstanding performance won them notoriety and scholarship money. A special thanks to the coach, Mr. Joe Simmons, and those who helped him, Mr. Lenny Vaughan, and Mrs. Terri Williams.

AFS, the American Field Service, tries to foster and improve international relations through our youth and those of other countries. We try to prepare our youth to study and live in other countries, and during their year abroad, to learn customs, lives and personalities of people around the world. We do everything we can to welcome the young people who come to the United States from other countries. We show them as much as we can of our country and try to help them understand our culture, our political system, our heritage, and our people.

Representing the central American nation of Costa Rica, ten Western Branch students spent three intense days debating a wide range of topics with eleven hundred students from across the United States. After long hours of research, these young men and women were ready to present Costa Rica's views regarding nuclear disarmament, world hunger, population control, and the political situations in Namibia, the Middle East and South Africa. By simulating the job of the world's only deliberative body, these students understood well the frustrations and anxieties of trying to get co-operative agreements from some one hundred and forty-nine nations!! Despite the problems, several students were able to introduce resolutions which, after some debate, were accepted by the mock general assembly!

The Varsity Football team had 5 wins and 5 losses in the Southeastern district. The people who contributed to helping the team and who made All-City football were Terry Bullock; Bobby May; Mike Grove; and John Weaver.

All-City player Terry Bullock was the 3rd in leading rusher in the district. Sophomore Justin Davis was the 3rd leading scorer in the district. We appreciate their valuable contribution to the football season.

Varsity Rah Rah's

As little sweat beads fall from their foreheads and the first three girls march out onto the floor with their hands on their hips, and smiles are plastered on their faces (with the help of Vaseline), they feel the intimate stares of the five judges that sit before them. These girls are then called upon to do two cheers and one chant. Their shaky voices echo throughout the gym among numerous mothers that await to watch their girls try out. The girls perform three at a time and face the judges twice within that all important night. The second time they return, the girls stand while the judges look them over, then the crackling of the tape is heard over the loud speaker. These girls are now required to spit out all the moves they remember and do the routine, hopefully to the beat of the music. There is a feeling of relief as the judges retreat to tabulate. Now comes the waiting. A frantic feeling comes about as the judges return and Mrs. Ligon begins to read the list of the Varsity Cheerleaders. As she comes to an end, the new girls do not take time out to realize the year that lies ahead, the year of the Varsity Cheerleader.

Seniors sing (lip sync) their WB Alma Mater.

THE OLD RUNAROUND

The Women's Cross Country Team had an outstanding coach, Cynthia Duquette, guiding them to their victories. The team's workout included running 3-9 miles a day, aerobics, and weightlifting. Practice was everyday and it was long and strenuous. Top runner, Katherine Harrell, was the only girl to qualify for the state meet. The girls had their best season yet!

Row 1: Christie Naprstek, Roschelle Smith, Trina Miller, Joy Gaines, Ms. Duquette. Row 2: Adriana Saldana, Inez Juliano, Suzanne Resolute, Katherine Harrell, and Marcella Morera.

Tennis is Our Racquet

First-year tennis coach Mike Donovan led the Bruins to another winning season. The Bruins posted impressive victories over all their Southeastern District rivals. The season concluded with a final record of 6 and 0. Through many hours of hard work and determination, senior Joy Smith achieved the number one position on the team. Seniors Marie Kirk and Kristyn Kay also held their positions on the team at number 2 and 3.

VARSITY WRESTLING

After many months of training in a hot and sweaty room, the Bruins' dedication paid off with a season that boasts a 12-1 record. This record is the best for the Bruin team in the history of our school.

Coaches Ray Pond and Dan Caumo, along with captains Bob May and Bruce Hurdle, pushed the team to a second place finish in the district tournament. Top finishers in the district were Steve Pitts at 118 lbs. and Bob May at 176 lbs. A second place finish was earned by Bruce Hurdle at 112 lbs. The Bruins went on to place fifth in the regional tournament out of 31 schools. Top finishers in the region were Steve Pitts — first place, Bruce Hurdle — second place, Bob May — third place, and Justin Davis — third place. These men qualified for the state tournament which was held in northern Virginia.

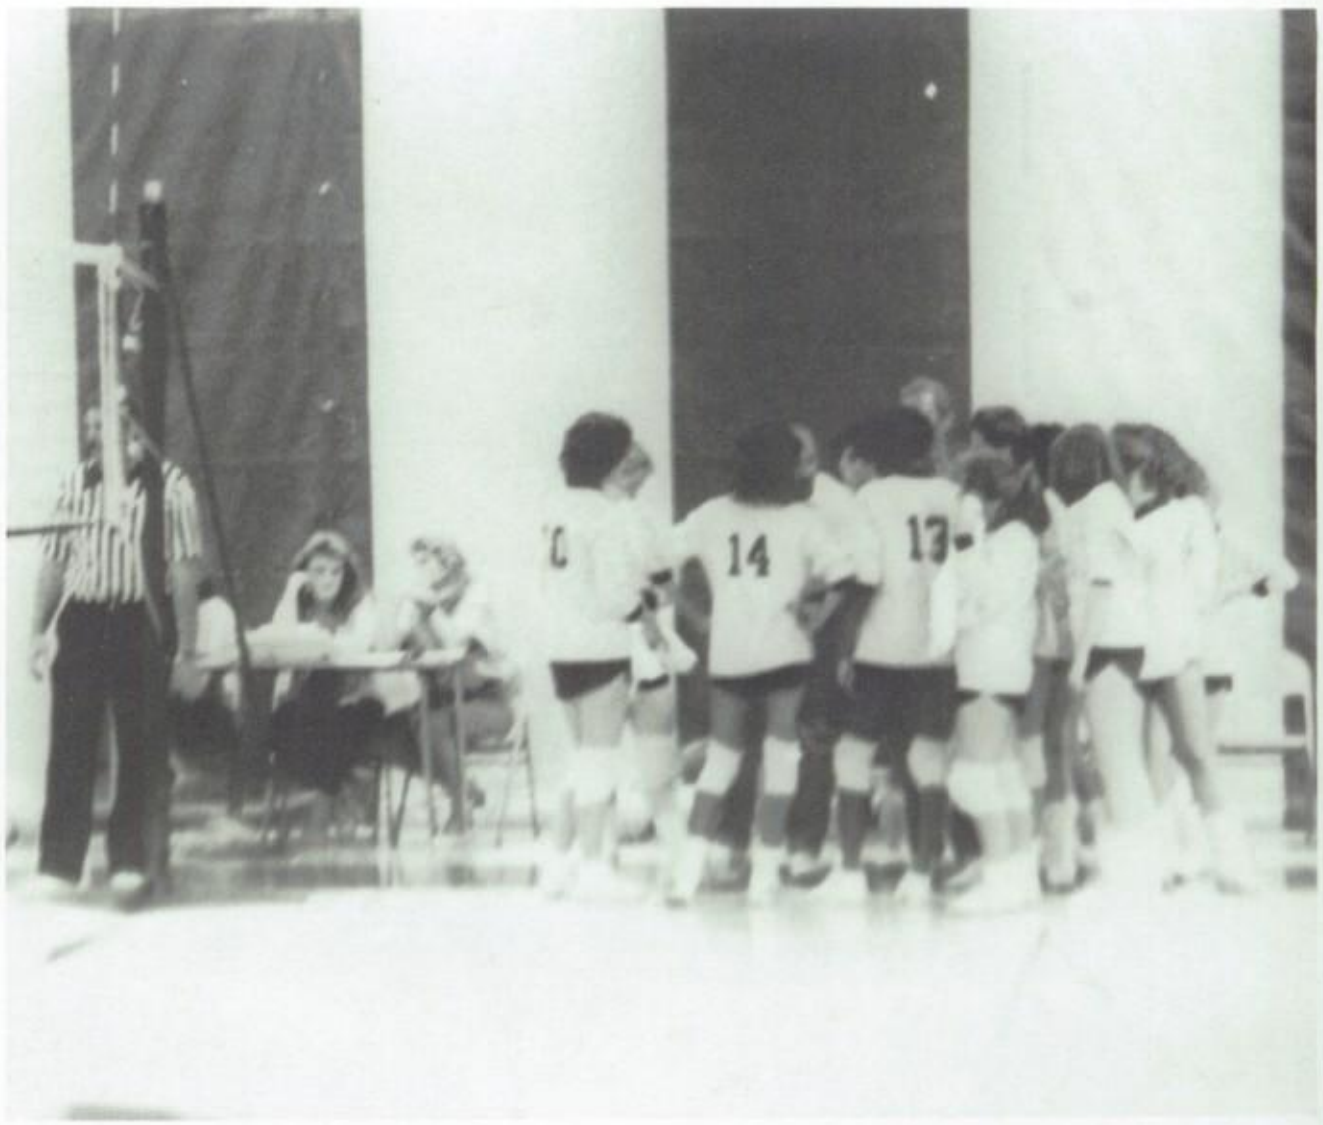
Southeastern District Champs



The Western Branch volleyball team had another winning season with 12-0. Coached by Mr. Stanko, they went to the district tournament. Throughout the season they were led by the power of Diane Williams, Laurel Tanner, and Angie Murden. Karen Pope was a helpful hitter also. We were the only team in the district to place all the six starters in the All-Districts team. The following were honored at the Sports Awards Banquet: most improved, Laurel Tanner; most outstanding, Diane Williams; most valuable, Kim Wieters; most valuable in the tournament, Karen Pope; and honorable mention, Angie Murden. We would like to congratulate the girls on a winning season.

Under the guidance of first-year coach, Wayne Peterson, the Bruin golfers turned in another outstanding season. Seniors, Eric Ellwanger and Kenny Bass led the team through a 6 and 3 season. The Bruins finished one stroke behind Churchland to take third place in the Southeastern District and sixth in the region. Winning awards at the Fall Sports Banquet were Eric Ellwanger and Kenny Bass for leadership and Lindsay Henderson for most improved. With four seniors returning next fall the Bruins expect another fine season.

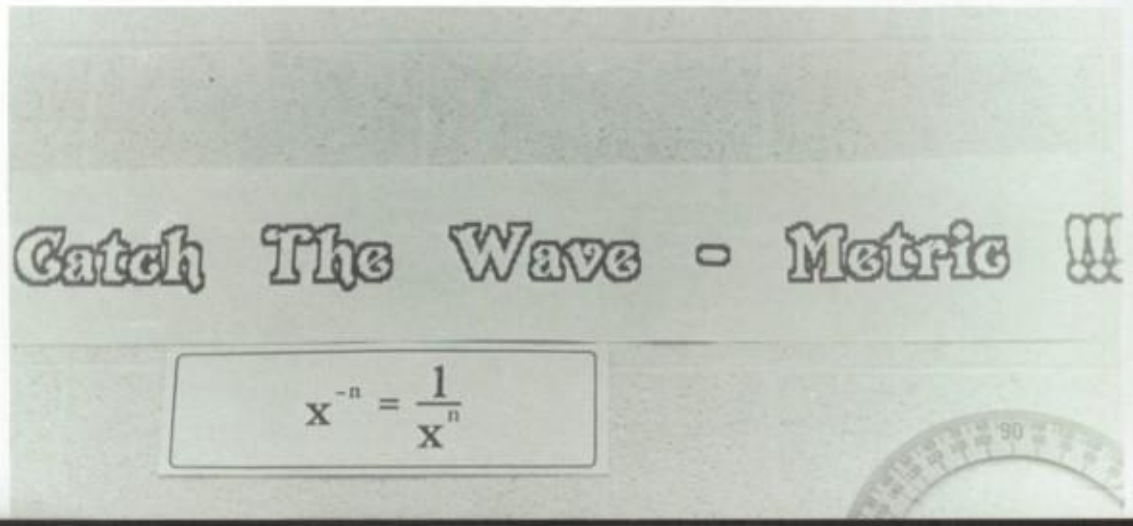
The Math Department at Western Branch High School offers seven different levels of math education. To graduate with an honors diploma, students are required to complete three years of mathematics.

In addition to the everyday assignments, some math students participate in local, state, and national math competitions. At the sponsored exam by VCU, given at TCC last fall, several of our students scored in the top 20% locally. They were: Analysis; Steve Gagnon, Kathy Graber, Jennifer High, Meredith Rohf, and Marcus Wynn. Calculus; Albert Lin, Phillip Gripka, and Karen Tew. Trigonometry; Ricky Hawks, Shay Rosencrans, Sam Shen, Karen Perry, Young Kim, and Gloria Koo, Algebra II; Darren Spence. Congratulations to all of you. Thank you for representing Western Branch High School.

Thanks, Jeannette Voorhies, for your help with Metrics Week.



Science Department

The Science Department offers practical application of science in the laboratory and offers the knowledge of modern scientific theories. An honors graduate is required to complete three credit years of any of the following: Biology, Physical Science, Chemistry, and for the more advanced students, Advanced Biology, Advanced Chemistry, A.P. Biology, A.P. Chemistry, and Senior Physics.

With Many Farewells

What a cute gift!!

After many years of hard but pleasant work as Western Branch High School's bookkeeper, Mrs. Ann Cole finally decided to "put the money on the table" and retire in the ending school year of '86. Mrs. Cole began working at WBHS 30 years ago and was looked upon as a good and very dependable employee. Her job was to collect money raised by the school and taking care of the sometimes tedious accounts. Without Mrs. Cole's help with these jobs, most of the school's activities would have been impossible. She was highly liked and well respected by both the faculty and the students.

The "Back to School Teacher's Luncheon," held in late August, was in Mrs. Cole's honor. During this luncheon, Mr. Brandriff presented Mrs. Cole with a gift in appreciation of her work. Although Mrs. Cole will be missed at Western Branch High School, we would like to welcome Mrs. McNeal who has replaced Mrs. Cole as Western Branch High School's bookkeeper.

Stars in Review was held on February 7, 1987, by the Varsity Singers. The show took a month of preparation. Choreography for the show was done mostly by Pat Southall and Donna Canady, with a little help from a few people from the Varsity Singers. The show took a lot of work, determination, and above all, patience. With these three very important elements, the show was a success.

The show was composed of 3 solos, 6 student group acts, and a special performance by the Chamber Singers and 3 alumnus. In all, the show was proof of the long hours of practice that made it such a success.

Summer Yearbook Workshop at James Madison University

The BRUIN '87 staff attended a four day yearbook workshop at JMU sponsored by Hunter Publishing Company. On July 29th, the staff (Berry, Amy, Julie, Lisa R., Theresa, Pam, Lisa H., Jeanette, Ginny, Betsy, Susan, and Christie), accompanied by Mrs. Archibald and Mr. Davis, left for JMU. On arrival in Harrisonburg at 3:00 p.m., we met a full schedule — three days full of seminars, classes, and lectures, even HOMEWORK. We managed to squeeze in a little fun, though. We met many new friends from all over Virginia, "pigged-out" at a picnic, and danced the night away.

Berry, Jules, Theresa, Lisa, Amy, and Lisa are off to lunch and then class.

We all get together in our lounge for a little "rap" session.

Ginny, Betsy, and Susan decorated Theresa's and Lisa's room.

Amy, Theresa, Jules, and Susan are happy to be home at WBHS.

Pam, Betsy, and Susan take a break before the next lecture.

A **Wonder**ful Surprise

Stevie, you are the sunshine of our lives.

Stevie **wonder**ing what's going on.

It came as a great surprise to Western Branch student representatives when during a meeting they were informed that they had been chosen, along with four other Chesapeake schools, to welcome Stevie Wonder to Virginia. This announcement was met with gasps of shock and disbelief, but true to word on November 21, 1986 they set out to greet Stevie Wonder.

At Great Bridge Civic Center representatives — SCA, ICC members, and cheerleaders — and, also, a crowd of spectators awaited Stevie Wonder's arrival. The wait lasted for 4½ hours in which time many people gave up waiting and went home. However, when Stevie finally arrived he was greeted with a large and very excited crowd.

Upon his arrival, Stevie gave a speech on drug awareness and on his participation in the Drug Awareness Program, and as a special bonus he treated his attentive audience to a song. This day will be remembered well by those who had the privilege to see and hear Stevie Wonder.

Life in and around WBHS

AMERICAN RED CROSS

The annual American Red Cross blood drive was held on October 22, 1987. This year, more then the last, 180 people of Western Branch High School registered to give with 90 first time donors. With the participation of both faculty and students over seventeen years of age the drive produced 146 units of blood.

This school participation is very helpful in the Red Cross blood drives. We hope that these donors will continue to lend a helping hand and that the future blood drives at WBHS will be as successful as this one.

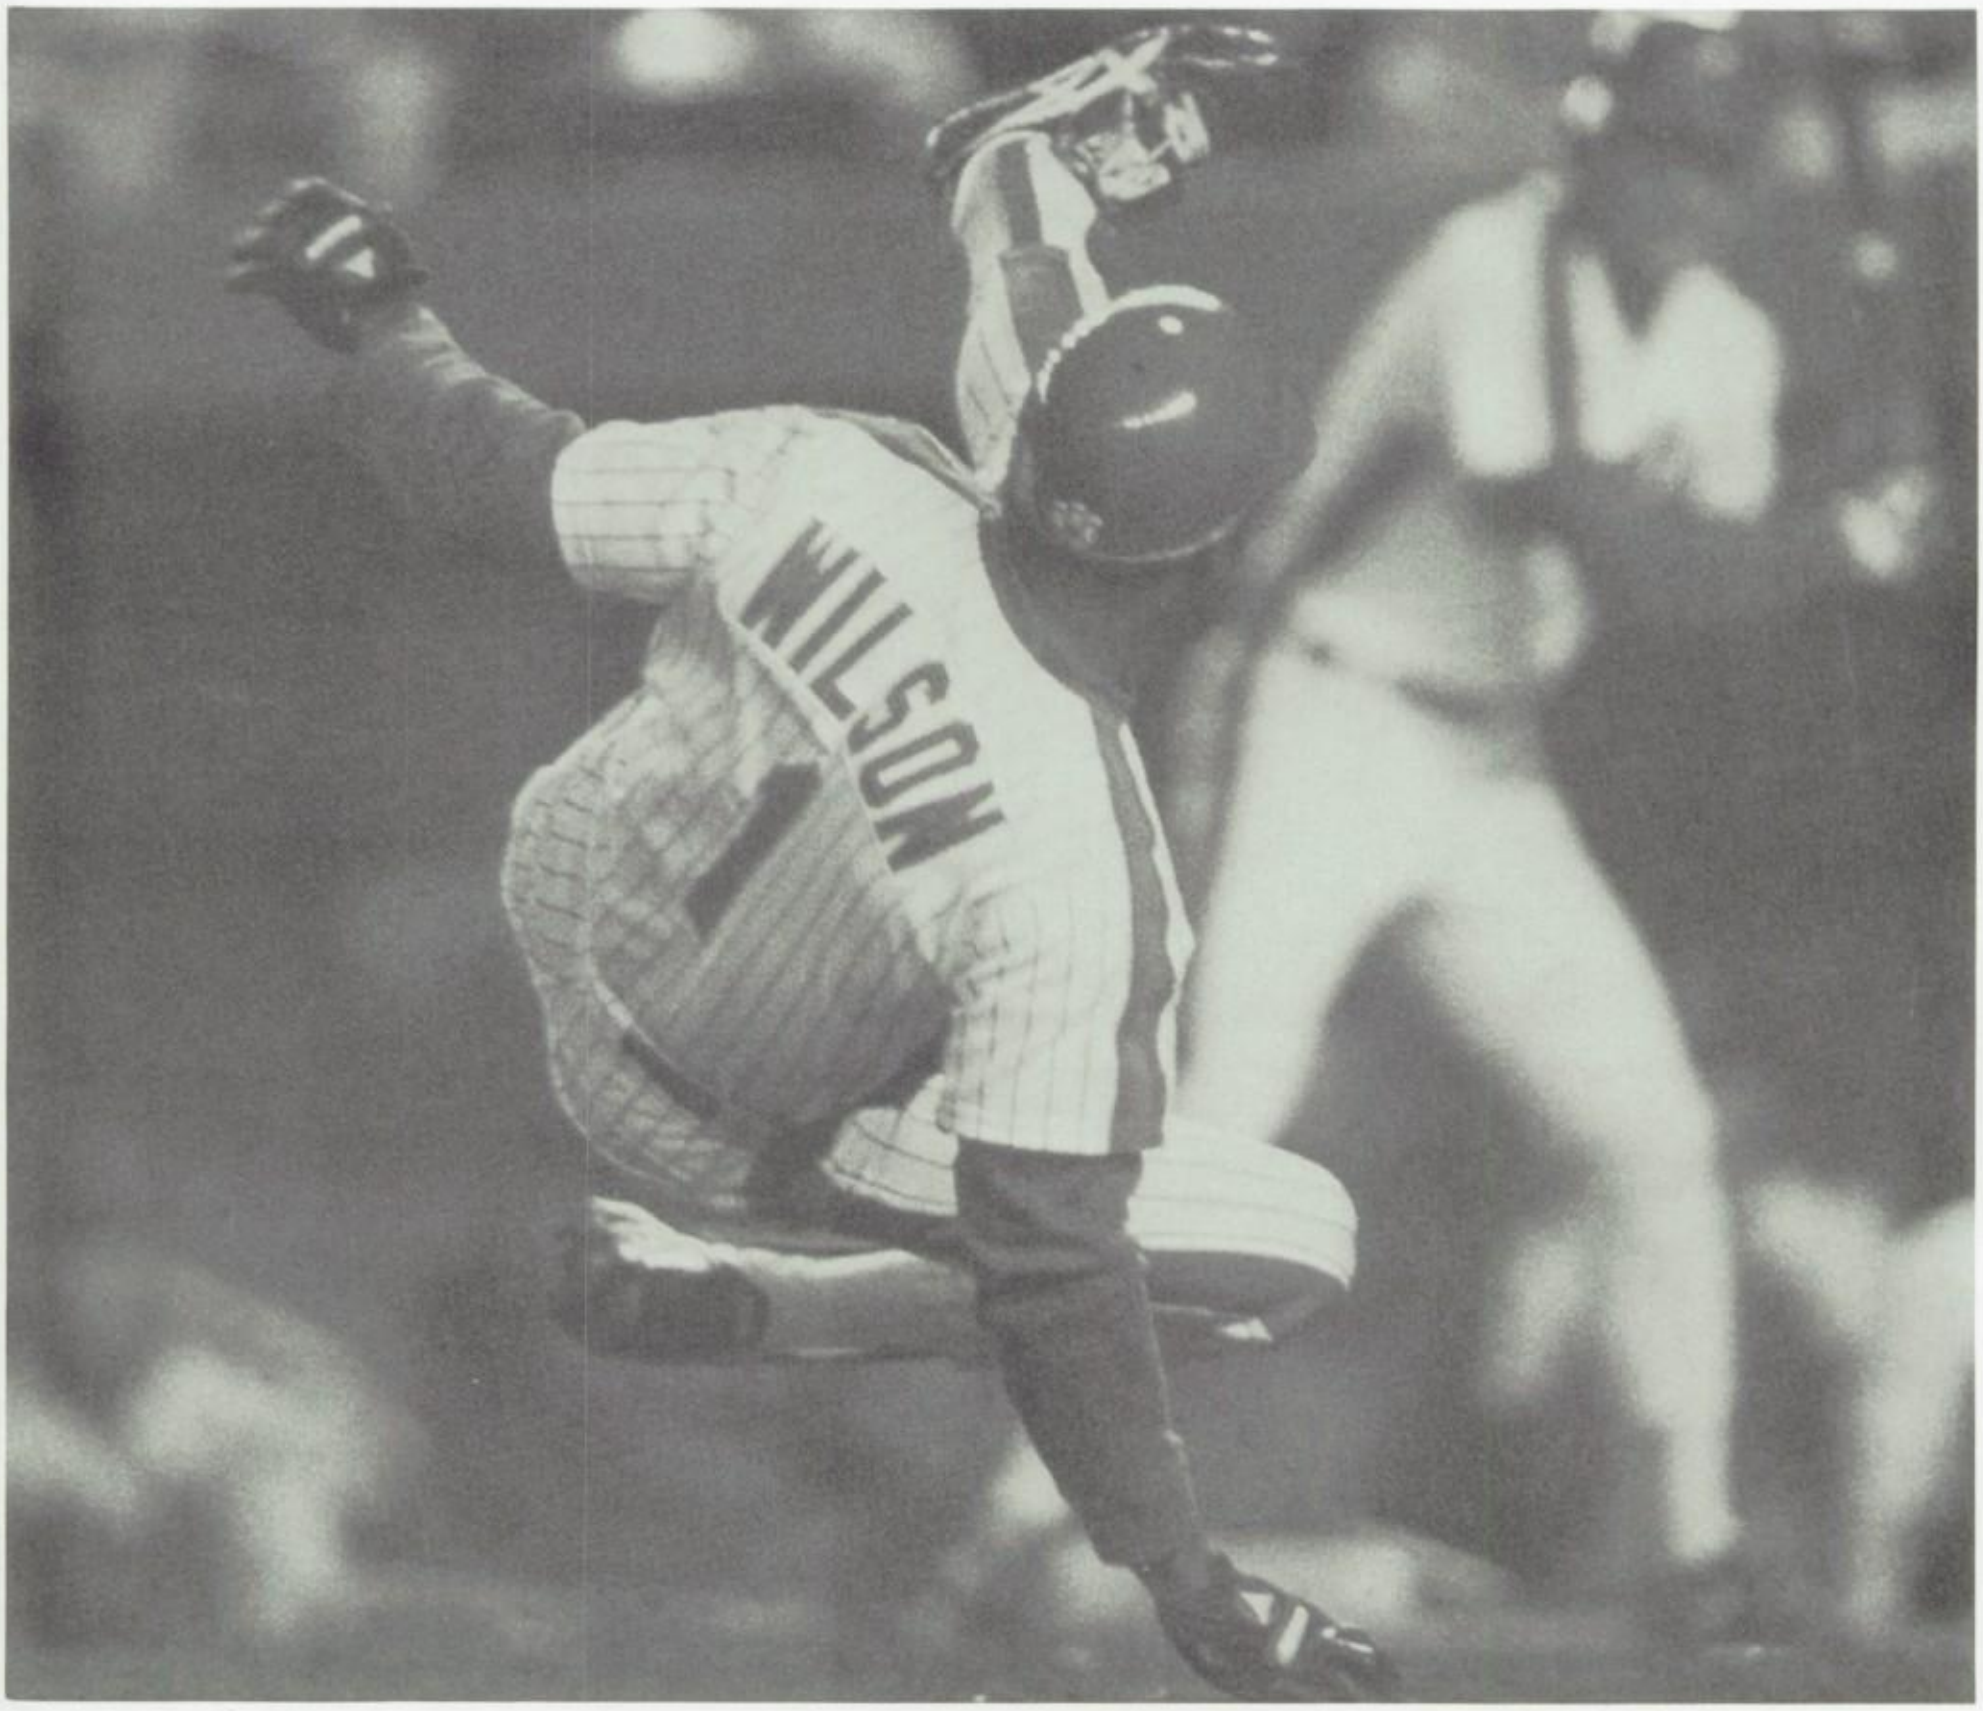
A.I.D.S.

A.I.D.S., or Acquired Immune Deficiency Syndrome, first appeared in 1983,nearly 800 cases at once. Since then, nearly one million cases have been spotted, and there are thought to be more than twice that many people as "carriers," immuned to the disease. There is no cure.

In the last year, this disease has claimed nearly ten thousand persons, notable and otherwise, including the famed performer, Rock Hudson. A.I.D.S. attacks the immune system, keeping the body from recognizing disease. The afflicted then dies of a trivial sickness.

The biggest problem is that the disease is transmitted by an exchange of body fluids,, such as blood transfusions. The disease is keeping our society in check. The lack of blood in storage, because of fear of catching the disease, has put advancements in medicine behind. In a few years aids related deaths could outnumber those from auto accidents.

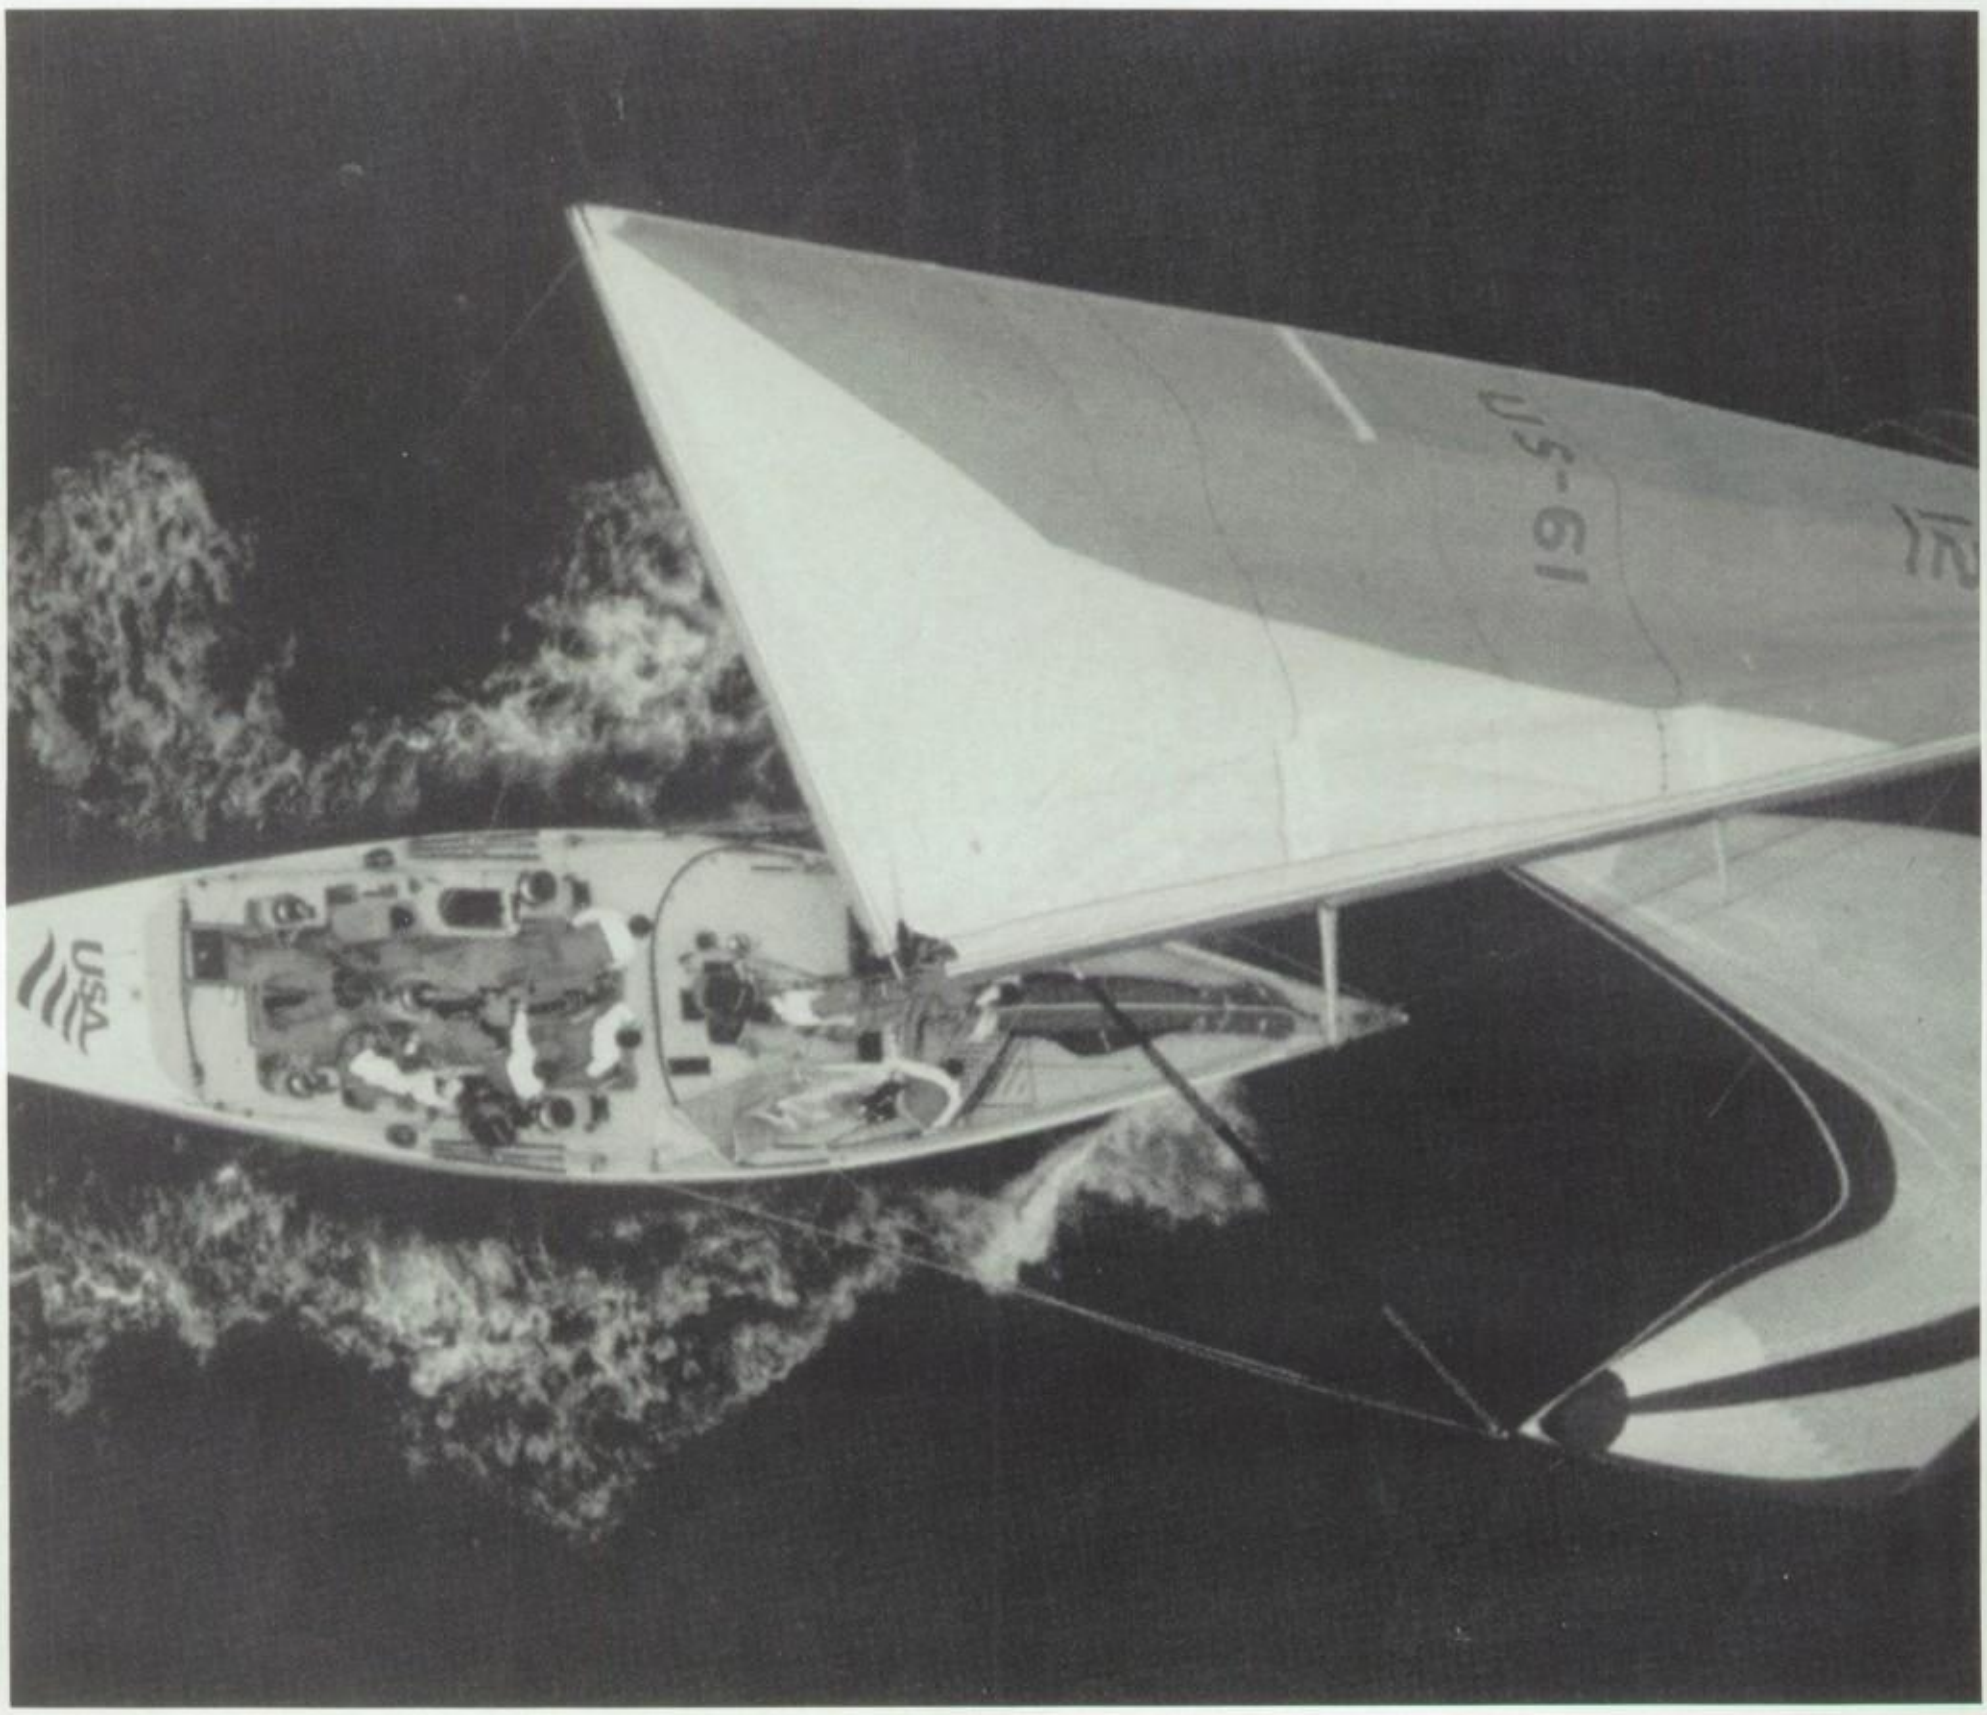


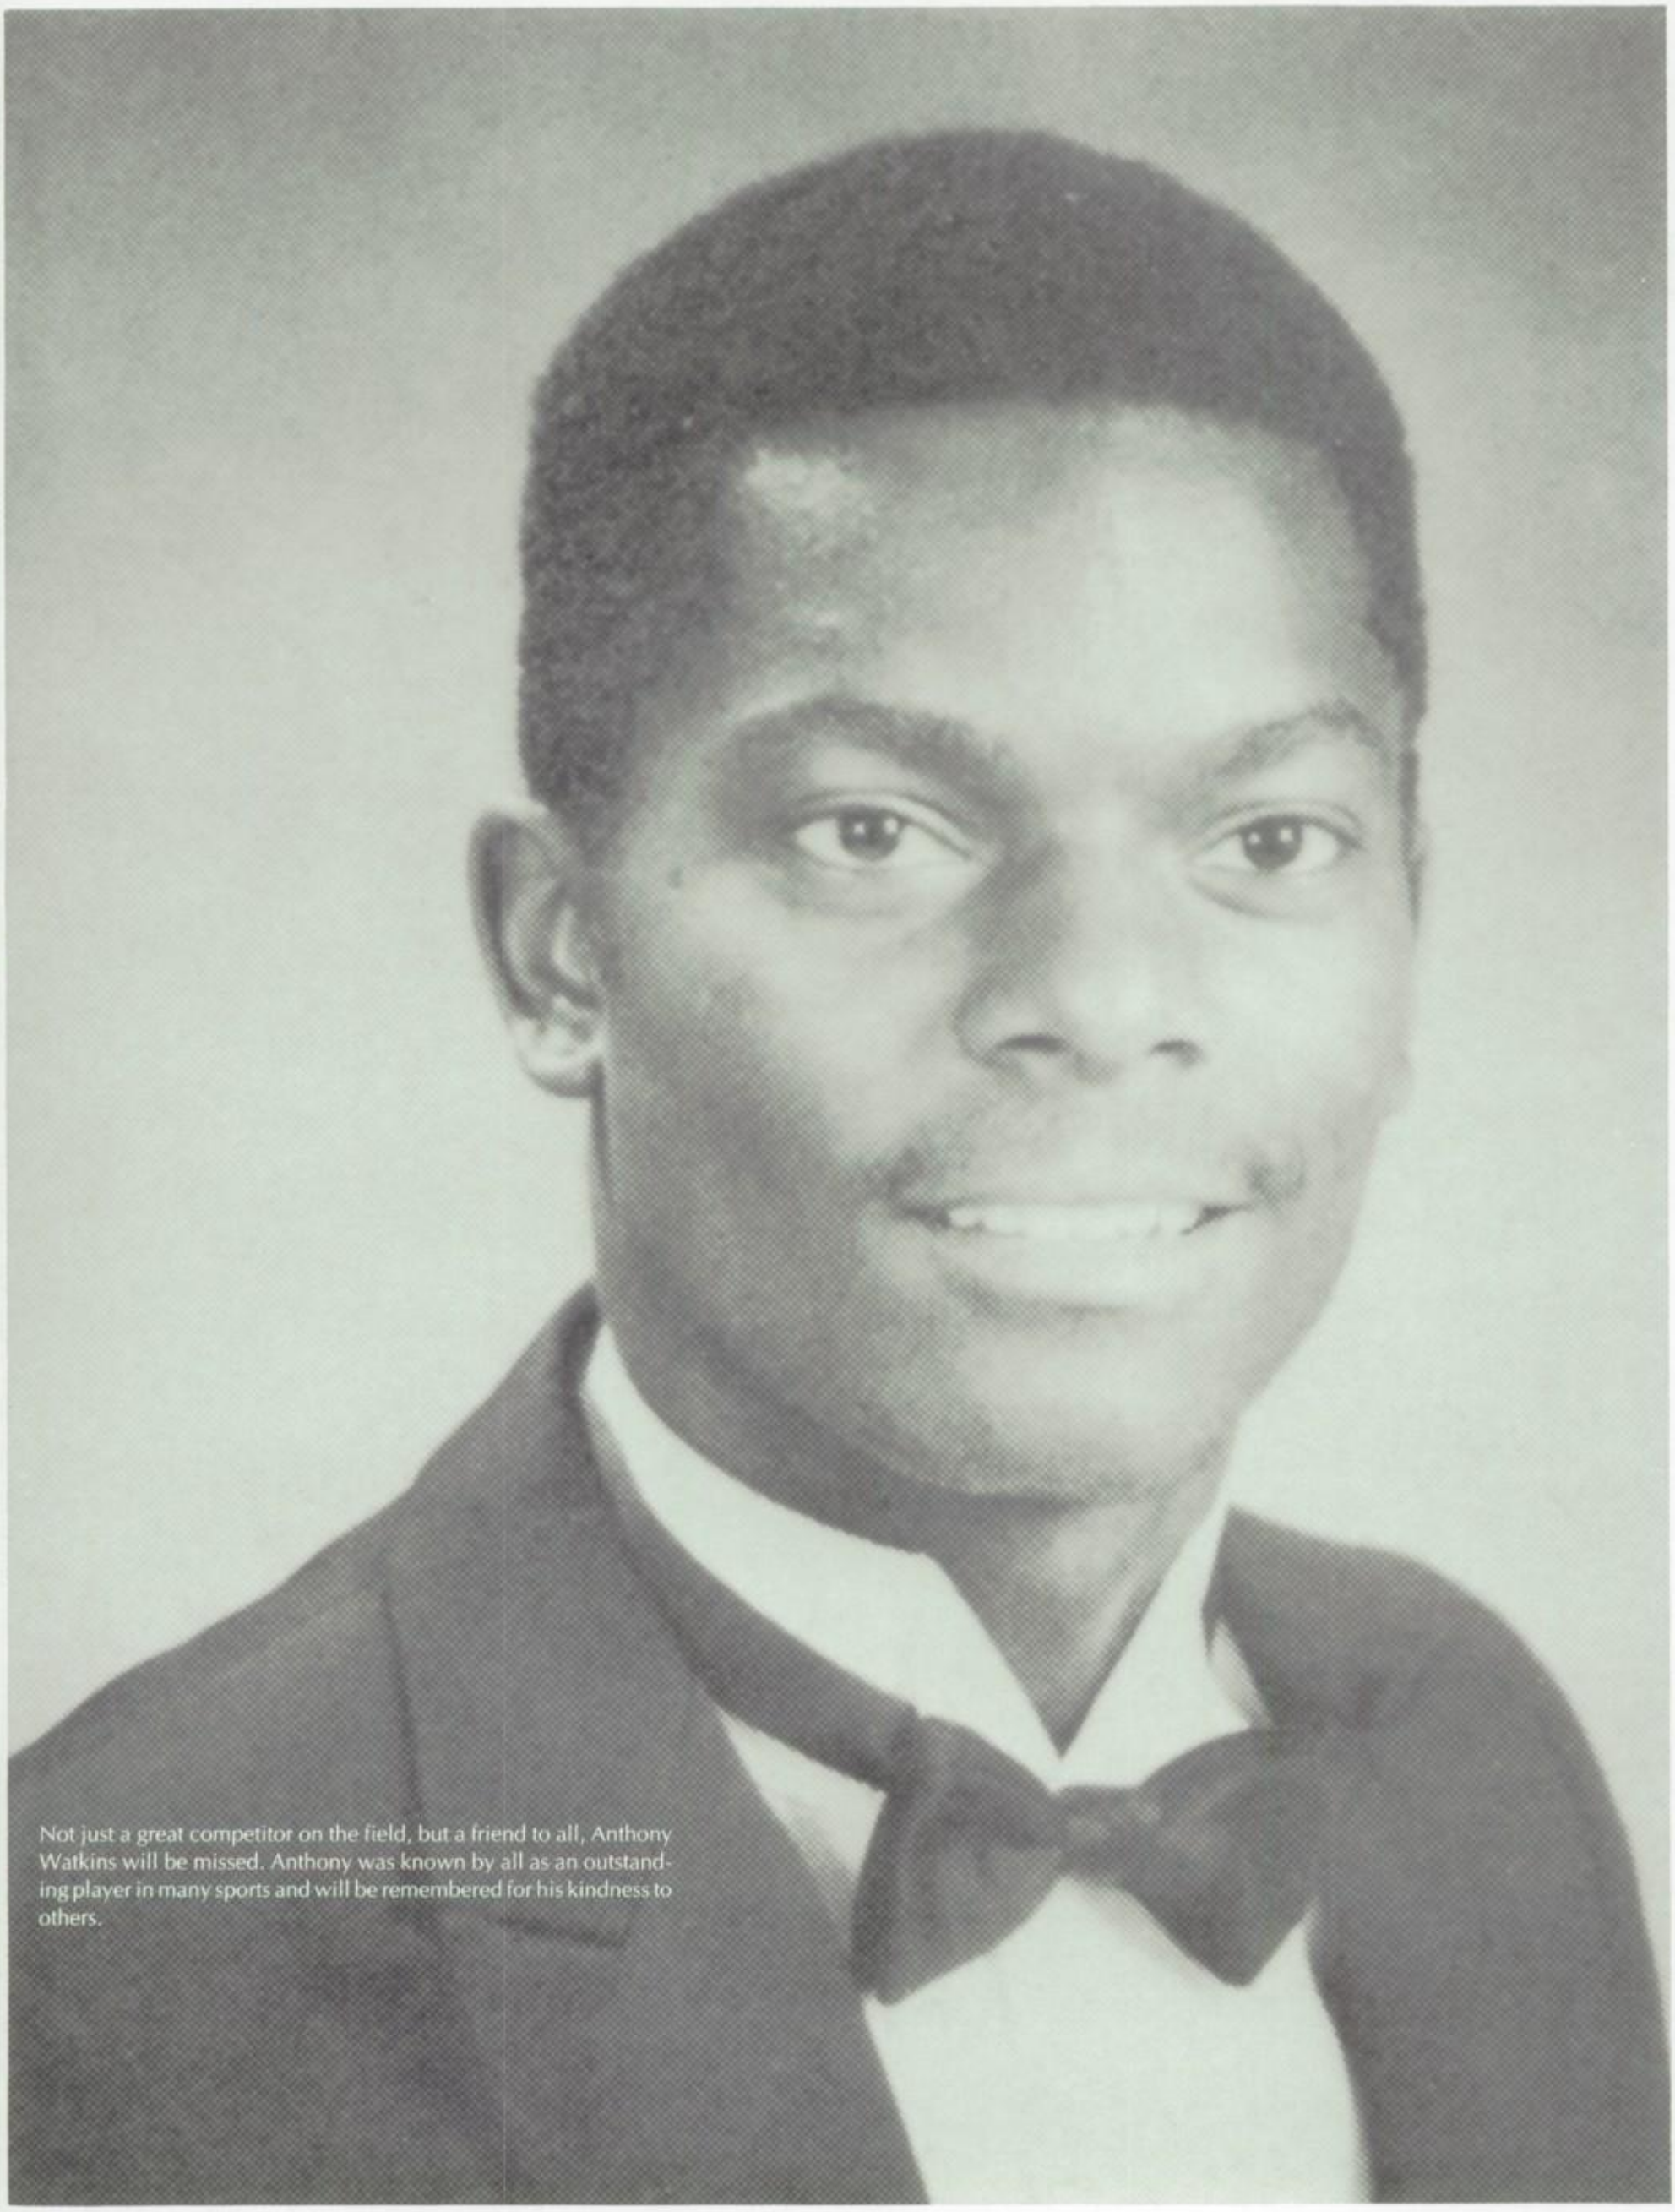
America's favorite sports, baseball and football, have gone to the Big Apple in a seven game series. The New York Mets defeated the Boston Red Sox. The Mets has one of the highest win/loss percentages in the history of baseball, during the season, and continued on thru the final post-season playoff game. The World Series was a final triumph for a spectacular season.

Later in the year, football's New York Giants became a near Unstoppable force, linebacker Lawrence Taylor led the team to a final Superbowl victory against the Denver Broncos. The Giants and the Mets' allowed for the first double-victory in these two sports in history for any city.

The Coveted America's Cup

Four years ago, after 100 years in American hands, Dennis Conner lost the cup to the Australians. This year, Dennis Conner returned it to the United States with a stunning series of wins. In the spirit of true sportsmanship, a cast of thousands was on hand to cheer Conner as he received the trophy.





Not just a great competitor on the field, but a friend to all, Anthony Watkins will be missed. Anthony was known by all as an outstanding player in many sports and will be remembered for his kindness to others.

Life at the Prom

"Almost Paradise," the theme of the 1986 Junior Senior Prom, was just that.

It was a warm May night at Chrysler Hall, in Norfolk, VA, where the legendary Rhondels played popular songs of 1986, as well as a medley of their recorded songs made popular back in the 60's and 70's, such as "May I?" and "I've Been Hurt."

With the undying efforts of Kathy O'Dwyer, Prom Committee Chairperson, and the supportive efforts of Mrs. Archibald and Miss Ford, sponsors, it is hoped that this night was 'almost paradise' for you.

Ginger Simmer discreetly keeps the ivy decorations in place.

Chavis Harlow, Julie Gartman, Cindy Tonning, and Mrs. Archibald chit chat about the prom.

Margaret Stine, Lisa Holmgren and her date hold on to their evening in paradise.

The Rhondels rock in the elegantly lit Chrysler Hall.

Mr. Welsh, Mr. Soares, Mr. Brandriff, Mr. Foster, and Mrs. Brandriff admire the formally dressed students.

Karen Hutchings and Todd Niblo are all smiles about the balloon decorations.

The theme

Arts Festival '86

Scott Williamson and Vini Singn entertain young patrons of the Arts Festival.

The Chesapeake Arts Festival took place on May 31, 1986 in the five public high schools in the area of Chesapeake. At the festival held in WBHS many displays of art were there: drawings, ink prints, and music of different types. As a treat to the patrons, balloons, popcorn, and candy were sold.

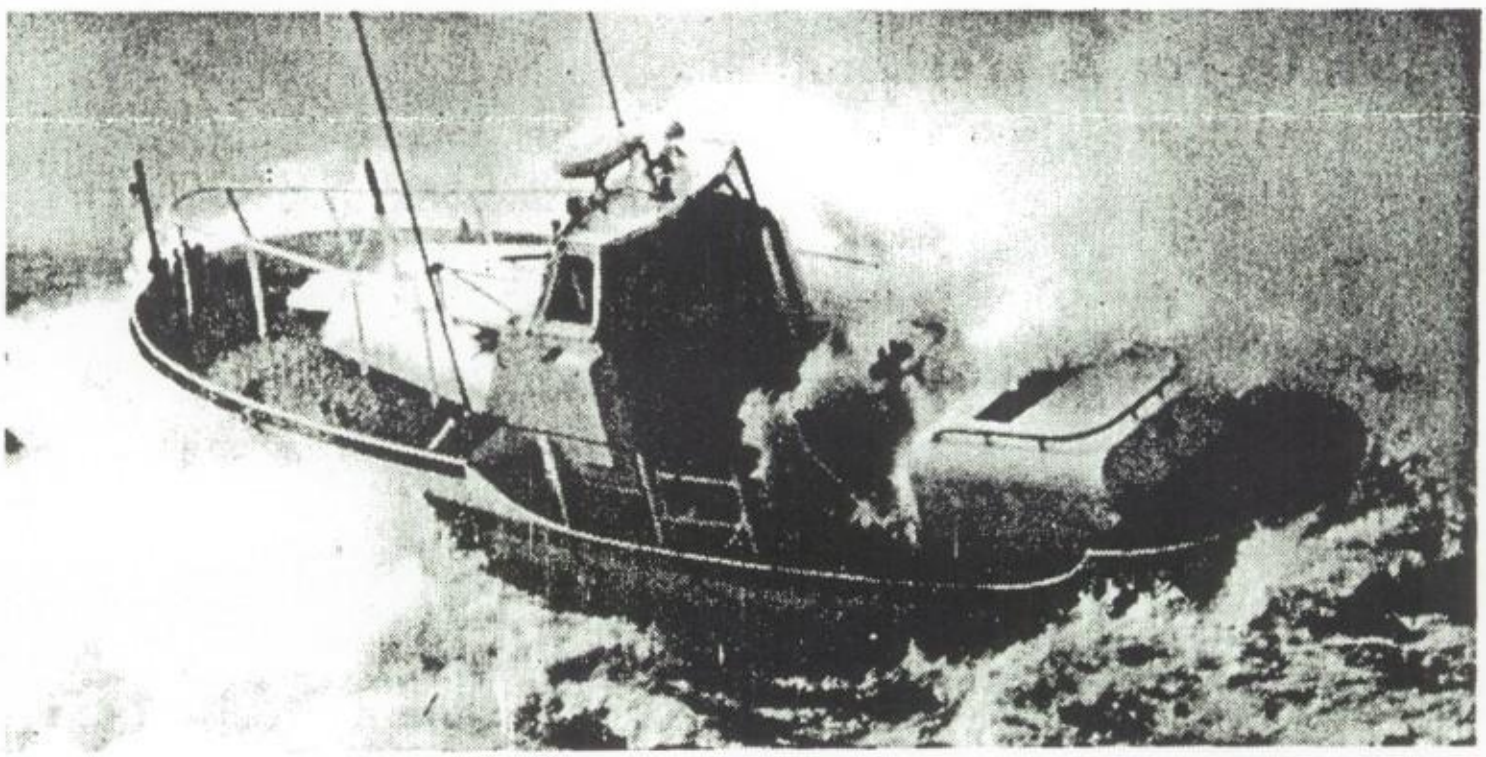
One of the best parts of the day was when the Bruin Choir and Varsity Singers performed to show everyone how art is "REALLY" supposed to be done.

Over all, the Chesapeake Arts Festival at Western Branch High School was a success.

Angela Brown is astonished by the arts.

Sheriff Sivill's guards the arts.

We've got a lot of good work in the great outdoors.



Piloting a 44 footer through the chop off Cape Hatteras. Quartermaster on a buoy tender in Lake Superior. An Electronics Technician assigned to a cutter in Hawaii.

These are just a few of the jobs you could find in the Coast Guard, where the great outdoors is part of a great career.

Our main job is safety at sea. Rescuing people in times of distress, hurricanes, floods and fires. We're also in the business of saving our environment, especially the nation's waterways from pollution and oil spillage. We also work to make our nation's harbors a safer place to work and help prevent accidents at sea.

It's a big job, helping others. But, remember, the Coast Guard is the smallest of all the country's services. So we give everyone in the Coast Guard as much responsibility as he or she can handle. This means you can move ahead quickly, and get the job you can qualify for.

There are a lot of other reasons for joining the Coast Guard. Like helping yourself to further education. You can learn electronics, mechanics, communications, boat maintenance—and a wide array of other technical skills that would be hard to pursue on the outside. We'll even help you get a college degree, if that's on your horizon. You can earn college credits while you serve.

What about life in the Coast Guard? You get a good paycheck, with your first raise coming right after boot camp. It goes a lot further, too, because you'll get free quarters, meals, uniforms and medcal and dental care. And, to top it off, you'll get 30 days of paid vacation every year. That's something to think about.

If you're a young person looking ahead for a job with real meaning, or between the ages of 17 and 26 and want that good job right now, consider the Coast Guard. It's good work, helping others while you help yourself.

Pilot your future now.

We'll conquer all that we
must
Western Branch High School
we implore
Thy honor inspire us ever-
more.

Tina,

Well another year has gone by and still we are friends. This year has been special cause we have gotten closer than ever. Now we are buddies. True buddies. Not that we weren't before we were but now more than ever. Well this year has been great. Its just beginning for you. Next year you'll be a sophomore oooo! big time enjoy your high school days. They are fun once you get to know everybody. And get active in stuff like softball or maybe even powderpuff football. Maybe next year we'll try out for softball next year together. And maybe a few other things. Well I know its a little late to be signing this book considering school ended over a month ago. But look on the brighter side its still 87. Practical joke. How come you didn't laugh I thought it was funny. Well I'm going to be a big time senior next year oooo. touch me. then a freshman in college. oooo! scary. Maybe. I don't think I have to go to college to become a police officer. But I guess I'll have to find out ok. Well I'm kinda running out of room here so I guess I better sign off here. I'm going to put my phone number in here so you won't forget not that you would or anything but you know how your memory is ok?

Remember the girl the girl with us smile
the girl who cared in your year book upside down

KKD

T,

to a special friend, have
a very nice summer and see you next
year.
